## Local Benevolence Update

I'm a few weeks behind, so this will be a little longer than usual to catch up. As always, many thanks to those of you who tithe, making it possible to budget \$1,000 each month for local benevolence. And thank you to those who give over and above. The recent cold snap meant that there was a very high demand for motel rooms and for help with pending electric service shutoffs. We disbursed about \$2,000 in the first two and a half weeks of January. We are currently out of funding until the budgeted February deposit happens, but that's okay. We can't do everything, and we addressed a lot of serious needs.

During the three weeks we were open in December, and the first three weeks of January, we helped 8 families with rent, 18 with utilities, and pledged 14 motel nights.

Preferred Family Healthcare has a new Housing Outreach Liaison, working out of an office at Callyn Heights, and she has called on behalf of a few clients this month. When we provide evidence of homelessness, via a form she provides, she is able to use that to help clients qualify for additional housing services.

As we did last year, we made a sponsoring contribution to the SB40 Community Engagement Conference coming up in March: this draws a big crowd of intellectually and/or developmentally disabled individuals, their families, direct service providers, and other local agencies who all work together to support individuals with disabilities. This year's conference is Saturday, March 2, from 8am to

3pm at William Matthew Middle School. The theme this year is to BE MAGICAL: Making My Life Magical. There will be 15 breakout sessions in three tracks, with sessions available for disabled individuals, support people/families, and community members.

We also paid the entry fee to a sober living home for a Preferred Family Healthcare client. I think I've written a little about those in the past, that the people in those homes immediately get a job and pay their own rent, but we sometimes help cover the entry fee, which pays their expenses while they wait for that first paycheck. PFH always attempts to access grant money first, but that is not always available.

One of the people for whom we paid rent is a single dad with a four year old. He called for rent, and I made some gentle inquiries about whether the little boy had boots and snowpants, etc. He did not, so our local benevolence angels took care of that need, thank you very much! I have an email group of about thirty people who are willing to receive requests for this sort of thing. If you would like to join the group, please let me know. It only takes 3-4 people to meet most requests presented this way, and it's kind of

neat when parishioners tell me the specific personal reasons they called dibs on a particular need. Maybe they are doing it in honor of a loved one who used to take care of a similar need for people, or they have a child of the same age, something like that.

On December 18, Janet Dillavou came in to take stock of the brown bag situation, and then provided everything needed and assembled

two dozen bags. She has also put together a few “family” bags with tuna helper, tuna, and vegetables for people who have a home and a stove to do some simple cooking. Those 24 bags were gone in about a month, which was really only three weeks if you count the Christmas closure, and then I really quickly threw together a few more. Demand was very high during the cold snap and snow storm, because the Pantry for Adair County was unable to receive supply trucks or offer distribution from their gravel parking lot. Lots of people used brown bags to help bridge the gap.

When Women's Ministry met for brunch on January 20, participants signed up for and provided ingredients for what was planned to be a batch of 24 bags, but everybody seemed to bring a whole lot of extra items. After eating and fellowship, they put together a whopping 47 brown bags! Being able to offer these to people who might call for other needs, is a very nice way to express our personal care for these individuals, especially when I have to turn them down for whatever request they might have initially made.

Our community-wide Collaborator Appreciation Luncheon has been scheduled for Monday, March 4, at the Newman Center. We are inviting all the agencies that participate in the big monthly Systems of Care meeting, as well as any local churches that have benevolence ministries. As part of the RSVP process, we will collect contact information and details about their funding process, to create a directory to be shared. The more connections we can make, the more needs we can all collaborate to meet, always with an eye toward comprehensive help that provides a real hand up instead of just a bandaid.

Thanks again to all of you who make this possible!

Together in advancing the Kingdom of God in Adair County,

**As we continue to strengthen our faith community, we extend an invitation to all who feel called to deepen their involvement in the sacred liturgy. The parish is seeking dedicated individuals to serve as Extraordinary Ministers of Holy Communion.**

**As Extraordinary Ministers of Holy Communion, you will have the privilege of assisting the clergy in distributing the Body and Blood of Christ during Mass. This role requires a deep reverence for the Eucharist and a commitment to serving the spiritual needs of our community.**

**Qualifications for this ministry include:**

- A strong commitment to the Catholic faith and the teachings of the Church.**
- Active participation in the sacramental life of the Church.**
- A spirit of humility, reverence, and compassion.**
- Willingness to undergo training sessions provided by the parish, and complete the diocesan safe environment requirements**

**We encourage you to prayerfully consider becoming an Extraordinary Minister of Holy Communion. Your willingness to serve in this capacity will undoubtedly contribute to the spiritual nourishment of our parish family. For more information or to volunteer, please contact Trish Sexton [psexton@atsu.edu](mailto:psexton@atsu.edu) or (660) 626-4954**

Quilt tickets are \$10, and are good for the whole year. Purchase at the Parish Center, or ask your favorite Piecemaker.

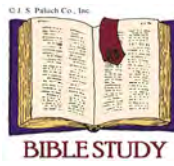

Bishop McKnight's Prayer Intention for January: For the gift of patience; may we embrace poverty of spirit when suffering the shortcomings of others and ourselves.

The Holy Father's Prayer Intention for January: Let us pray that the Holy Spirit helps us recognize the gift of different charisms within the Christian community, and to discover the richness of different ritual traditions in the heart of the Catholic Church.

## YOUTH MINISTRY

Calling all Lay People! MI is trying to form a committee to help start Youth Ministry again at MI. If you are interested in helping with this Ministry, please let Tara Seedorf know ([tseedorf@gmail.com](mailto:tseedorf@gmail.com) or 660-341-4552). Our first meeting is on **Tuesday, January 30th** at the Parish Center at 6:30pm. We have invited a YM coordinator from another Parish to give us some ideas on what has worked for them. Please consider helping with this Ministry!

**Tuesday Afternoon Bible Study** Group meets at 4-5:15pm on Tuesday afternoons in the parish center. All are welcome to attend. Come as you are—no prep necessary! For more info, please contact Sharon at [smcgahan@truman.edu](mailto:smcgahan@truman.edu) or 660-988-7012.

The **Franciscan Adventure study group** meets on the (usually) second and fourth Thursdays of each month at 3pm in the parish center, to discuss Franciscan Spirituality using *A Knight and a Lady* by Bret Thoman OFS.

Until February 13, we are collecting **canned soup for the PAC Souper Bowl**. MI donated about 900 cans last year, and we need to bump it up to 1000 to win. Let's do it, in honor of Dana Delaware! We will try a Drive Through Drop Off again on Monday, January 29, in hopes the weather will cooperate this time! Feel free to bring donations to the parish center any time we're open.

**Walking Rosaries** for February will be the 12th and the 26th of February. Please meet at the church, and the weather will determine whether we walk or remain inside.
