The title "Omnipotent Suppliant" (or "Suppliant Omnipotence") for Our Lady in Catholic tradition highlights her powerful intercessory role. This concept is rooted in the belief that while Mary, as a creature, is not omnipotent by nature, her intercession is so powerful that it is as if she were omnipotent. This paradoxical title emphasizes her unique position as a suppliant who, through her prayers, can obtain graces from God.

Retrouvaille

Thinking about Separation or Divorce?

Is your marriage or that of a relative or friend heading for divorce? Do you know how to save that marriage? Or do you feel helpless? Retrouvaille is designed to help

marriages regain their health. It helps spouses uncover or re-awaken the love, trust and commitment that originally brought them together. The program is highly successful in saving marriages, even bringing reconciliation to couples who have already separated or divorced. Retrouvaille is for any couple who would like to rediscover their marriage and improve communication.

Our next program begins **October 18, 2024**. For more information about an upcoming Retrouvaille Weekend program for couples, contact registration team: at 1-800-470-2230 or visit www.HelpOurMarriage.com
