Full-sized caskets must be enclosed in a permanent container approved by the state of CT and local health department regulations.

Cremains must be enclosed in an approved urn vault for internment. Scattering of cremated remains on a grave or in the cemetery is strictly prohibited.

A burial permit issued by the registrar of the town in which death occurred is required per state of CT, and usually provided by the funeral director. It must be presented to the pastor prior to internment.

The owner of a plot may not sell or transfer the plot to another person.

Infant burials are conducted in the same manner as adult burials. Fee is the same, unless otherwise determined by the St. Joseph's Cemetery Committee of Parish committee.

Should vandalism to the monuments occur, the cost of restoration is the responsibility of the burial plot owner, not St. Joseph's PNCC.
