

Grade Three Supply List for 2025-26*

For each student's personal use:

- Headphones or earbuds, **NOT wireless** – inexpensive set that can stay in the classroom all year.
- 1” binder with pockets on the inside covers (not “D” ring, please)
- 4 single subject, spiral bound, “wide ruled,” notebooks
- 3 two-pocket folders
- pencil box (or gallon-size zip lock plastic bag) to hold supplies
- pencils and erasers
- colored pencils
- crayons
- scissors
- glue sticks (Elmer’s brand does work significantly better than other brands I’ve tried.)
- water bottle with a securely closing (non-leaking) top
- “indoors only,” non-marking soled sneakers for Phys. Ed. Class

Please open packages, pack the pencil box, and **label all items** at home. Also, please pack the pencil box with only a few pencils, one glue stick, and one eraser. Keep the rest of these items at home, to send in as needed. Most third graders need help with this.

For general class use, to be brought in anytime during the first few weeks of school:

- 2 reams white copy paper
- 2 boxes of tissues
- 2 containers of disinfectant wipes such as Clorox® or Lysol®
- 1 roll of paper towels

* More supplies may be requested, as needed, throughout the year.
