LIVE THE LITURGY
Inspiration for the week

God shows up in unexpected ways! Just when we think we have God's agenda figured out, another surprise comes. Expecting to find God only in some places hinders us from finding Him everywhere. Who would have thought that a young boy's few loaves and fishes would feed thousands of people? The disciples were probably just as amazed as everyone else when this feast appeared before them. Sometimes, we find it difficult to believe that God can do amazing things with something small and simple. Yet, grasping this truth is really at the heart of understanding the power of the Eucharist. Having the Body and Blood of Christ made present for us is one amazing wonder. Actually being fed and nourished by that gift is another. Now being able to become what we have eaten, God can do tremendous things with the simple, humble gifts of our lives. All we have to do is realize that God dwells within us. When we do, then everyone we encounter and everything we do has the power to become a sacramental moment. When done with great love even the smallest gesture can be multiplied exponentially. Now, that's amazing!

Inspired by its Catholic Christian values, Nuestros Pequeños Hermanos (NPH, Spanish for "Our Little Brothers and Sisters") creates a loving and safe family environment for vulnerable children living in extreme conditions. Through an array of residential, educational, and healthcare services, NPH gives vulnerable young people the opportunity to develop their potential, shaping better futures for themselves, their families and their communities.

In 1954, a hungry, homeless boy was arrested for stealing from the poor box of a small church in Cuernavaca, Mexico. The church's priest, Father William Wasson of Phoenix, Arizona, refused to press charges and asked for custody of the boy. One week later, the judge sent Father Wasson eight more homeless boys. He gave them a safe home and a chance to turn their lives around. By year's end, 32 boys were in his care, and NPH was born.

Fast forward to today, and over 20,000 vulnerable boys and girls in Latin America and the Caribbean have called an NPH home their home. Prior to NPH, many of them lived in dangerous or unsanitary conditions; begged and scavenged to survive; suffered abuse; had no stable family life; lacked access to proper nutrition and healthcare; and never attended school. NPH provides a continuum of care that, depending on each individual child's unique circumstances and needs, may include a safe home and loving forever family, vital nutrition and comprehensive healthcare, and/or education and vocational training to break the inter-generational cycle of poverty. We also provide formation in the Catholic faith.

Fr. Mike Straley from the Diocese of Phoenix will be joining us at all masses on July 24 and 25. Fr. Mike has been a supporter of NPH USA and their mission for over 12 years. He'll share the work NPH does in Latin America and the Caribbean with children, families and communities.

Help us help them.
