THE ASCENSION OF THE LORD ASCENSION DEL SEÑOR MAY 29TH, 2022

SENT FORTH

Today we celebrate Jesus' return to heaven. If we struggle to know how to feel about this event, we take our cue from Jesus' disciples. These disciples are first-hand witnesses to the Ascension, returning afterward to Jerusalem, where "they were continually in the temple praising God." Long-time companions of the Lord, they surely feel the pain of physical separation from Jesus. Yet they praise God continually. They accept God's plan, looking forward to the day when Christ will come again. As our reading from Hebrews affirms, Christ will return to "bring salvation to those who eagerly await him." This Good News is almost too much to take in; the Acts of the Apostles explains that an angel has to wake the disciples from their stupor, reminding them to start the Lord's work. Today's readings are our own angel, sending us forth in joyful hope. Copyright © J. S. Paluch Co.

ENVIADO

Hoy celebramos el regreso de Jesús al cielo. Si nos esforzamos por saber cómo sentirnos ante este evento, tomemos el ejemplo de los discípulos de Jesús. Estos discípulos son testigos de primera mano de la Ascensión, quienes después regresan a Jerusalén, donde "en el templo estaban continuamente alabando a Dios". Compañeros del Señor por largo tiempo, ellos seguramente sienten el dolor de la separación física de Jesús. Sin embargo, alaban a Dios continuamente. Aceptan el plan de Dios, esperando el día en que Cristo vuelva. Como lo manifiesta nuestra lectura de la carta a los hebreos, Cristo regresará para "traer la salvación a quienes la esperan con ansia". Esta Buena Nueva casi es demasiada para asimilarla; los Hechos de los Apóstoles explican que un ángel tiene que despertar a los discípulos de su letargo, recordándoles que deben comenzar la obra del Señor. Las lecturas de hoy son nuestro ángel, el cual nos envía con esperanza alegre. Copyright © J. S. Paluch Co.

CAN IT BE STOPPED?**

Walt Heyer lived as a woman for eight years. Now he helps others desperate to detransition like he did.

Therapy helped Erin Brewer recover from her childhood abuse and gender dysphoria. Now she fights for kids to receive real therapy.

Maria Keffer of Advocates Protecting Children works to defend children and their parents from the transgender ideology.

IT'S NOT TOO LATE! EDUCATE YOURSELF AND DEFEND CHILDREN IN THIS FIGHT FOR FAMILY!

- Children are being transitioned without their parents' knowledge.
- "Gender transitioning" is being promoted all the way down to pre-school, even in private schools.
- Fully transitioned people are 19-20% more likely to commit suicide than the average population.

But what's wrong with becoming your "true self"?

"Affirming" isn't helping. Transitioning is hurting.
