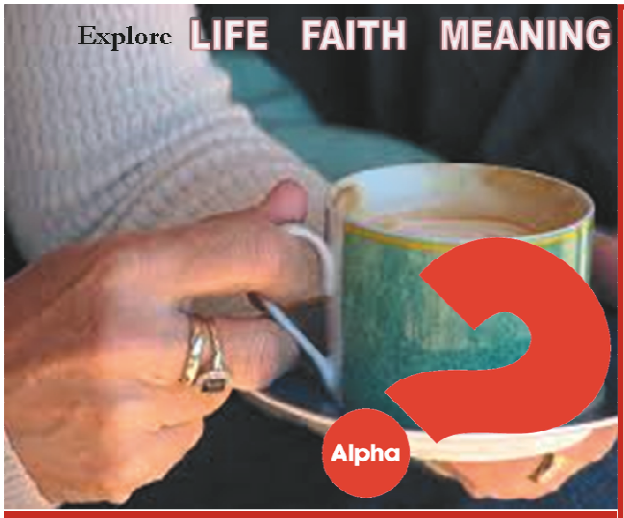
Gospel Reading of the Week

3rd Sunday in Ordinary Time

"He came to Nazareth, where He had grown up." Did you grow up in a small town? Whenever you see stories of tight-knit communities, a common refrain is that everybody knows everybody and that's very difficult to change. If you leave and return, people expect you to be and act a certain way and it's strange for them if you do not. In today's Gospel, we see that Jesus was already moving "in the power of the Spirit and news of Him spread throughout the whole region. He...was praised by all." His ministry has begun! News of His growing popularity must have proceeded him to Nazareth.

Upon His arrival, He "went according to His custom into the synagogue on the sabbath day." For the first few moments, He is what they expect - their hometown boy returning to pay his respects. As was common of men at the time, He takes a turn reading a passage of Sacred Scripture. It is a bold passage, one He selects intentionally. "He unrolled the scroll and found the passage where it was written: The Spirit of the Lord is upon me." After reading about holy anointings, liberation for the poor and prisoners and physical healings, Jesus does the unthinkable. "Today this Scripture passage is fulfilled in your hearing."

We are all called to imitate Christ wherever we are. This might mean doing the unexpected! All too often we're content with the daily status quo and so are the people around us. When we take a stand for Christian values and change our lifestyle to reflect the Gospel and work for justice in society, we may make others uncomfortable. But Jesus doesn't call us to the same life we lived yesterday or the year before that. He is calling all of us - each and every one of us - to deeper conversion of heart. No matter what other people expect, will you love in the Spirit of the Lord today?



ALPHA is a series of sessions exploring the Christian faith. Typically run over eleven weeks, each session looks at different questions people often have about faith and is designed to create conversation.

It's just an open, informal and honest space to explore and discuss life's big questions together.

Session topics include:

Is There More to Life Than This?
Why Did Jesus Die? Why and How
Can I Pray? Does God Heal Today?

What to expect: First we have a meal together, then we watch an engaging film related to the topic for the evening, followed by discussion. There is no obligation to say anything. It's an opportunity to hear from others and contribute your own perspective in an honest, friendly and open environment.

When: Begins March 20 and continues every Wednesday for 11 weeks (we will not meet during Holy Week)

Where: St. Elizabeth of Hungary School Cafeteria

Time: 6:30-8:30PM

Cost: Free!

Commitment: While it is beneficial to attend each session, no commitment is required.

Registration: Email: alphapittsburgh225@gmail.com with your **Name, Phone Number and Email address**, or call Amy LaMartina at 412-882-8744.

With regret, I share that Theresa Moser will be leaving Holy Spirit Parish to pursue another employment opportunity at her home parish of St. Katherine Drexel in Bentleyville. Theresa has faithfully served as Office Manager and Bookkeeper for the past eleven years. When you called Holy Spirit, you would hear the pleasant voice of Theresa answering the phone. Theresa was also responsible for doing the weekly bulletin and scheduling Mass Intentions and parish meetings. Of course, these were only some of her duties. Theresa's last day was Friday, January 25. We all wish her well. — *Fr. Bob*

BEGINNING ON MONDAY, JANUARY 28, HOLY SPIRIT PARISH OFFICE HOURS WILL CHANGE TO MONDAYS & TUESDAYS: 8AM - 4PM & THURSDAYS & FRIDAYS: 8AM - NOON.

STAYING HEALTHY: It's always a good idea to carry tissues or a clean handkerchief to cover one's nose and mouth during a sneeze or cough, but then please be careful to throw away your own used tissues (don't leave them in the pew or on the floor where someone else might have contact with them). If you don't have a tissue, there is less chance of spreading illness if you bend your arm and cough or sneeze into your elbow, than if you sneeze into your hand.

It is certainly important that we strive to be a welcoming, friendly community. While the handshake is a *typical* sign of greeting it is not the *ONLY* one. Whether greeting someone before and/or after Mass (even the priest or deacon on the way out of Church) or exchanging the sign of peace, there are alternative (and hygienic) forms of acknowledgment that one can use, such as: eye contact with a warm smile or nod of the head; a friendly "hello," "peace be with you," or "have a nice day"; or a hand on another's shoulder. We all need to be considerate of the sensitivities of others who may not want to shake hands at this time.

With reasonable care, and a few simple do's and don'ts we should all be able to get through this cold and flu season healthy AND holy!!

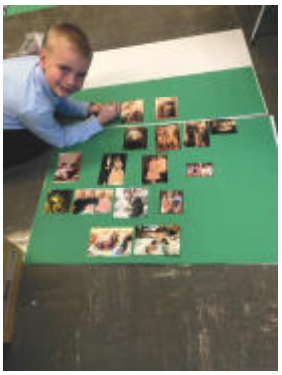
ST. ELIZABETH SCHOOL

First & Second Grade Science The first and second grade students at St. Elizabeth School have been busy completing many hands on activities in Social Studies class. After learning about landforms, the first grade students built and set off volcanoes. Both the first and second graders built models of islands which they named and wrote about. Each island had to include three different landforms and two different bodies of water.



The children are now working on unique timelines showing family histories - family trees! Each child brought in family photographs going back at least to great grandparents. Many of the children were able to go back to great-great grandparents and several went back to a great-great-great grandparent! We even had a great-great-great-great grandmother's picture from 1900!! Some of the children discovered the country that their ancestors emigrated from. Our completed family trees will be on display during Catholic Schools Week.

Saturday, February 2 is the **Feast of the Presentation of the Lord.**

According to Jewish law, the firstborn male child belonged to God and the parents had to "buy him back" on the 40th day after his birth, by offering a sacrifice of "a pair of turtledoves, or two young pigeons in the temple (thus the presentation of the child). On that same day, the mother would be ritually purified (thus the "purification").

Mary and Joseph kept this law, even though, since Mary remained a virgin after the birth of Christ, she would not have had to go through ritual purification. In his gospel, Luke recounts the story (Luke 2:22-39).

When Christ was presented in the temple, "there was a man in Jerusalem named Simeon and this man was just and devout, waiting for the consolation of Israel". When Mary and Joseph brought Christ to the temple, Simeon embraced the Child and prayed the Canticle of Simeon:

"*Now thou dost dismiss thy servant, O Lord, according to thy word in peace; because my eyes have seen the salvation, which thou hast prepared before the face of all peoples: a light to the revelation of the Gentiles and the glory of thy people Israel.*"

SUPER BINGO will be held in Horner Hall on Sunday, **February 10**. Doors and kitchen open at Noon. Early Bird Games begin at 1PM with Regular Games to follow. Tickets, which are $25, are available at the door. Come and spend the afternoon with us!

The Feast of St. Blaise is observed on February 3

If you are already familiar with St. Blaise, it is probably because of the blessing of throats—a Catholic custom on his feast. According to tradition, Blaise had been a doctor before he was ordained a priest. He became the bishop of Sebaste (now in central Turkey). During a period of persecution, he fled to a cave where he lived as a hermit. It is said that he cured and tamed the wild animals there. One day hunters discovered him and took him to the governor, who sentenced him to be tortured and killed.

About four hundred years after his death, many stories began to be told about Blaise and he became a popular saint, especially in France and Germany. One legend says that while Blaise was in prison, a mother brought him her small boy, who was choking on a fishbone stuck in his throat. Blaise prayed over the child and he was healed. Every year on St. Blaise's feast, two candles tied with ribbon in the shape of an X are used to bless throats. In the prayer, the Church prays that those blessed may be delivered from diseases of the throat and from every other illness. Candles are used because of another story: It is said that while Blaise was kept in a dark prison, a woman secretly brought him some candles and food.

While we invoke St. Blaise for his protection against any physical ailment of the throat, we should also ask his protection against any spiritual ailment — profanity, cursing, unkind remarks, detraction or gossip.

ON MISSION FOR THE CHURCH ALIVE!

You are Christ's Body and Individually Parts of It – The image of the Church as the Body of Christ is described in great detail by St. Paul in today's Second Reading. His words should inspire us as we come to understand that, no matter what our gifts, we contribute to the life of the Church and work of making Christ known to the world. His words should also console us to know that we do not suffer alone. When any one member of the Body of Christ is hurting or in distress, the entire Church and her people are there to share in their pain and support them as they are strengthened. At the same time, to understand the Church as a Body, a unity of many and varied parts, is a challenge to us. There is a tension between what I want and what is good for me and what is good for another and for all. As we continue our journey *On Mission for The Church Alive!* our goal is to strengthen and grow the Church as the Body of Christ. That means each of us should seek to be strengthened in faith, hope and love, too. Each of us has a role to play in making the Church ever more alive! To learn more and stay informed, visit **onmissionchurchalive.org**.

THE OAKLAND PRAYER GROUP

LIFE IN THE SPIRIT - Ready to ignite the power and Love of God in your life? The Holy Spirit moved the apostles from fear to Love—from hiding to going out to the nations as missionaries and martyrs. This series is designed to heighten awareness of the Spirit of God working in our lives and in the life of the Church, to remove any barriers we might have to the Holy Spirit moving in our lives and to personally invite, receive and respond to the fullness of Life in the Holy Spirit.

MARRIAGE MOMENTS *by Susan Vogt*

Ground Hog Day is coming up on February 2. Remember the movie? Is there any recurring bad memory or habit that you'd like to change in your marriage? Substitute a newer, positive one. Repeat—over and over again.

FAMILY PERSPECTIVE *by Bud Ozar*

In today's Gospel, Jesus was "praised by all" except at home in Nazareth where the "eyes of all were intently on Him." Acceptance can be hard to find at home due to unreal EXPECTATIONS. Jesus challenges us to "proclaim liberty" to anyone "oppressed" or "captive" by our EXPECTATIONS.

PARENTING POINTERS *by Susan Vogt*

Has the new year already overwhelmed you? Is your "To Do" list already too long? Does it feel like there just isn't enough time? Remember, *"The best minute you spend is the one you invest in people." —Ken Blanchard*
