

We thank you, O God our Father, for the gift of the Eucharist; for our bishops, priests, deacons, and religious who have tended the faith in western Massachusetts; for Catholic families; and for holy men and women who have held the faith before us.

May this Diocesan Eucharistic Congress be an enkindling of faith and love for the Eucharist in our diocese. May it be a blessing to our bishop and clergy, our families, and our parishes. We pray for the speakers, musicians, sponsors, volunteers, and all the program details. May all come together to produce a conference that will enliven your Church and deepen our devotion to the Eucharist.

We want to run with your Holy Spirit, to give you our all, to fill this land with praise and hope, to share the joy of knowing and loving and serving you. Come Holy Spirit. Fill us with praise, with hope, with courage, and with love for the Eucharist.

Unite us in faith, strengthen us in love. For the glory of your Holy Name. Amen.
