We Welcome YOU!

At the Apple Valley Catholic Community, we live out the commandment Jesus gave to his disciples when he said "Love one another. As I have loved you, so you also should love one another." (John 13:34). We live this commandment by acknowledging we are all, in one way or another, our sister's and brother's keepers.

We affirm the dignity and worth of each person regardless of your race, nationality or ethnic group, gender, sexual orientation, immigration status, age, socioeconomic class, married, single, divorced, Mass attendance, or anything else. We affirm that we are all God's children and part of the one family of God and that means We Welcome YOU.

We began by tilling the garden on May 7 and continued to prepare it on May 9. There are several gardening opportunities available from working in the garden to delivering our produce to the food pantries. Please come join us and invite anyone who is interested.

From now until Sunday, May 22 please drop off plant donations. The plants most needed are tomatoes, peppers, winter squash, herbs (basil, mint, parsley), eggplant, and green onions. Please leave them along the side of the rectory garage.

Please join us at 10 a.m. on Sunday, May 22 to help plant the garden. If you have them, please bring a hand shovel and a pair of scissors.

If you can send Michele an email that you are dropping plants off, that would be great. Also to be included on our garden volunteer distribution list, please email Michele. Her email is: mtsinopoli@yahoo.com

We are looking forward to another great gardening season!

The Social Justice Ministry will host a viewing of the documentary, "Building a Bridge" which follows Fr. James Martin and his ministry to the LGBTQ+ community.

Help Fight Hunger In Our Community!

Saint Elizabeth of Hungary's Saint Vincent de Paul Conference has been selected as the beneficiary of the @StopandShop Bloomin' 4 Good Program!

Each time the \$10.99 Bloomin' 4 Good Bouquet with the red circle sticker is purchased at the Stop & Shop at 100 Powder Mill Road, Acton MA during the month of May, Saint Elizabeth of Hungary's Saint Vincent de Paul Conference will receive a \$1 donation.

Please share this news with family and friends, post on social media, email supporters and get the word out. A bouquet of flowers is a great gift. This program makes it possible to make someone's day and fight hunger at the same time.

Look for the bouquets with the red circle sticker pictured below to make sure it is a Bloomin' 4 Good Bouquet that will benefit Saint Elizabeth of Hungary's Saint Vincent de Paul Conference upon purchase during the month of May.

For more information about this program, please visit stopandshop.bloomin4good.com. Thank You for your support!

Sixth Sunday In Easter

In our first reading, we hear more about the growing pains of the early Church. The Apostles were creating something new ~ a community of believers, disciples of Jesus Christ. There was confusion and discussion about who could be a disciple and differing opinions about what was essential to being a follower of Jesus. We hear those same discussions even today. However, first Christian did not let differences stand in their way or create divisions among them. They relied on the Spirit's prompting and on Jesus' words "Do not let your hearts be troubled or afraid." The message today is rely on the Holy Spirit – the Advocate – who is still with us.

Jesus Christ seeks to be in relationship with each and everyone one of us. To encounter Jesus is to experience his love in a meaningful and life transforming way. Your support of our parishes is a reflection of your faith that Jesus is the Way, the Truth and the Life, and your desire that this generation and following generations come to know this.

Our faith in action is life changing for ourselves and for those who encounter us. Thank You for your continued support!

“ HER TREATMENTS GOT ME BACK ON THE GOLF COURSE

Local clinic uses modern medical solutions to treat chronic pain and get patients back to doing the things they love with the people they love.

“I hurt my back playing golf. I went to the chiropractor. I went to the pain institute. I went to the spine institute.

Nothing helped. The pain was debilitating, I went six or seven months without playing.” ~ Rod O. (Peabody)

Chronic pain makes everyday life incredibly difficult. It prevents you from participating in activities you once loved and simple daily tasks like grocery shopping become nearly impossible.

This was the case for Rod O. of Peabody, MA.

Rod would go on to explain that on a scale of one to ten his pain was well over a nine every single day. Regardless of your age, back pain, whether caused by a sports injury, longstanding arthritis, or even specific conditions like scoliosis, can severely impact the quality of your life. In short, it stops you from doing the things you love with the people you love and that's not a great way to live.

On top of that, general practitioners, specialists, and surgeons are all too eager to prescribe medications whose side effects are often detrimental to your recovery or recommend invasive surgeries that often have less than desirable outcomes.

Fortunately for the people of the North

Shore of Boston, Acupuncturist Min and her team at AWC|Acupuncture & Wellness Clinic have pioneered non-pharmaceutical, non-surgical innovative medical solutions that actually treat your pain!

“My patients are also people who would normally require surgery but would either have a difficult time going under the knife or have simply decided that they would rather explore other options. There is more to healthcare than prescription pills, elimination diets, and scalpels,” shares Acupuncturist Min. “By offering several integrative therapies we are able to combat your pain from several angles ensuring the best possible outcome.”

This approach makes AWC an authority in treating seemingly hopeless cases of chronic pain.

Rod easily attested to this claim, “I highly recommend her to anybody. I thank the Lord today that I met Acupuncturist Min and she was able to help me because I can play golf again!”

Each new patient that comes to AWC receives a comprehensive consultation and then is prescribed a very personalized treatment program that is tailored to their specific needs and goals. “While every treatment I perform is based on a framework cultivated from decades of education and experience, no two cases are the same and so every person

under my care is treated that way,” tells Acupuncturist Min.

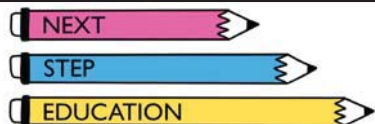

“Unlike other solutions to chronic pain, O3 Therapy™ corrects the pathology of the problem, allowing the body to heal itself naturally. This is a wonderful alternative to more traditional methods and incredibly safe and highly successful.”

Dr. Min and the team at AWC are using O3 Therapy™ to treat a myriad of chronic pain issues including neck pain, arthritis, knee pain, plantar fasciitis, chronic injuries and so much more!

To schedule a consultation and complete evaluation call (781)221-0162 and do so quickly because AWC is only taking a limited number of new patients. For more information on O3 Therapy and to take advantage of their new patient offer visit Awclinic.com.
