We Welcome YOU!

At the Apple Valley Catholic Community, we live out the commandment Jesus gave to his disciples when he said “Love one another. As I have loved you, so you also should love one another.” (John 13:34). We live this commandment by acknowledging we are all, in one way or another, our sister's and brother's keepers.

We affirm the dignity and worth of each person regardless of your race, nationality or ethnic group, gender, sexual orientation, immigration status, age, socioeconomic class, married, single, divorced, Mass attendance, or anything else. We affirm that we are all God's children and part of the one family of God and that means We Welcome YOU.

Special Collection This Weekend

Cardinal Seán has authorized a special collection to be taken this weekend, October 15/16 in all parishes in the Archdiocese of Boston, in support of the relief efforts in the dioceses of Puerto Rico and southeastern United States devastated by hurricane Ian.

Please continue praying for those impacted by hurricane Ian and the many volunteers that are meeting immediate and long-term needs.

World Mission Collection Next Weekend

Next week's second collection supports Catholic World Missions. By Baptism, all Catholics are called to participate in the mission of the Church and share their faith as missionaries. World Mission Sunday gathers support for the pastoral and evangelization programs and needs of more than 1,150 mission dioceses in Africa, Asia, the Pacific Islands, and remote regions of Latin America. The funds gathered on World Mission Sunday are distributed in the pope's name by the Society for the Propagation of the Faith—a Pontifical Mission Society. Please visit www.propfaithboston.org for more information.

Catholic Relief Services

Interested in learning about Catholic Social Teaching principle "Option for the Poor and Vulnerable" in action? Come participate in a conversation with Thomas Hollywood of Catholic Relief Services on Tuesday Oct 18, 7 pm. in the Parish Center, sponsored by the Social Justice Ministry and Adult Christian Service Ministry. Find out how CRS is applying this principle in Ukraine, Africa, and other hotspots in the world. Check socialjustice@avcatholic.org for exact room location.

Prayer Wall

We invite you to put a prayer on our wall or pray for people who are in need of our prayers. We will post intentions anonymously and include them as a group in our weekly Mass intentions <https://applevalleycatholic.org/prayer-ministry>.

On Sunday September 25, 2022, following the 10:45 Mass at St. Elizabeth Fr. Jeff, Sean Nelson and our parishioners gathered to bless our new meditation station. Sean Nelson, an Eagle Scot designed, constructed, and built the meditation station with the help from other Scouts and Scout leaders. The project took over four months to build and was completed in early August 2022. The AVCC will benefit greatly with having this meditation station. A big thanks to Sean, the other Scouts, the Scout Leaders, and everyone else who helped with the project.

Jesus Christ seeks to be in relationship with each and everyone one of us. To encounter Jesus is to experience his love in a meaningful and life transforming way. Your support of our parishes is a reflection of your faith that Jesus Christ is the way and the truth and the life, and your desire that this generation and following generations come to know this. Our faith in action is life changing for ourselves and for those who encounter us. Thank You for your continued engagement and support!

What Would You Do Without Neuropathy Pain?

"Several years ago I was diagnosed with cancer and underwent chemotherapy treatments. I'm now in remission and blessed to still be here but I was in so much pain. My feet and hands were constantly burning - a tingling sensation, almost like when your leg or arm falls asleep," shares Mary of North Reading, MA.

Mary was suffering from Chemotherapy Induced Peripheral Neuropathy, or CIPN. While chemotherapy kills cancer cells, it also causes a lot of other damage throughout the body. Nerves, especially those far away from the brain, are some of the first to be harmed. 30-40% of cancer patients treated with chemotherapy result in peripheral neuropathy.

"Standing all day was not just a challenge, it caused me physical agony. Keeping up with my busy schedule - forget about it. I couldn't even go for walks on the beach." Mary, like so many others, was prescribed Gabapentin to help with the pain and told there was nothing anyone could do - in their words 'there is no treatment for neuropathy.'

Mary then found Min Jeon Lic.AC. of Acupuncture & Wellness Clinic. By blending the time-tested science of acupuncture with more modern, medical technology, Min Jeon has designed a real solution for peripheral neuropathy.

"Acupuncture is incredible at restoring blood flow and stimulating damaged nerves, preventing them from dying off," tells Min Jeon. "We take our treatments a step further by integrating ATP Resonance BioTherapy™ which targets specific nerves in the body using microcurrent. ATP therapy is like watering a plant. This treatment will stimulate the blood vessels to grow back around the peripheral nerves and provide them with the proper nutrients to heal and repair."

After only four weeks of treatment Mary is already seeing incredible improvement. "I've taken the handicap placard off my rearview mirror and I'm finally back to walking on the beach. I can't wait to see how I feel at the end of my program! I used to think that this pain was just the price I have to pay for still being alive. Min has really given me hope for a better life!"

The number of treatments needed to allow the nerves to fully recover will vary from person to person and can only be determined after a detailed neurological and vascular evaluation. If you or someone you love is suffering from peripheral neuropathy (of any origin) call (781)221-0162 to schedule a consultation with Min and the staff at AWC Acupuncture.

They are waiting for your call.
