# Jesus Christ, as the light of the world, saves us from the darkness of sin and death.

In the Star Wars movie "The Empire Strikes Back," the young Luke Skywalker asks the Jedi Master, Yoda, if the dark side of the Force is stronger than the light, and Yoda answers, "No, no, no. Quicker. Easier. More seductive."

Quicker, easier, more seductive. Isn't this the inherent challenge of the Christian life, struggling against the allure of the quicker, easier path. Today's first reading draws attention to this desire: Early and often, it says, did the Lord, the God of their fathers, send his messengers to [his people], but they rejected them. Why? Because to accept the message would mean to change, to grow, to face their own wickedness. The people preferred the quicker path, the easier path. They chose their ways over God's ways.

In John's Gospel, Nicodemus has come to Jesus to ask him about the signs he is doing. What we do not hear today, but what John writes a few verses prior to this, is the time of Nicodemus' visit to Jesus. He did not come in the daytime, when anyone could see him. He came at night, under the cover of darkness. He could not step fully into the light, because he had not yet chosen God's way over that of his own religious cohorts.

Jesus says to Nicodemus: This is the verdict, that the light came into the world, but people preferred darkness to light, because their works were evil. The people preferred their way; they preferred darkness to light; and their behaviors and works were evil. Quicker. Easier. More seductive.

Evil thrives in darkness. Everyone who does wicked things hates the light, because light exposes those deeds. But shadows and darkness make everything unclear and hard to navigate, and God's people were never going to find their way back to God without help. And so God sent his only Son into the world – as the light of the world – not to condemn it but to save it. For only light can lead us to truth; only light can show us a path to follow; only light can dispel darkness.

In the quote above, Yoda did not say the darkness was stronger, only that it had more allure. This is analogous to the Christian life. All of us are familiar with the temptation and allure of sin. But Jesus Christ as the light of the world saves us from the darkness of sin and death. Freedom comes in knowing that the light is stronger; the yoke is lighter. The saving power of God brings love and mercy, healing and salvation, to the world.

All the darkness in the world cannot  
extinguish the light of a single candle.

- St. Francis of Assisi

## ACADEMY IN ACTION

### EIGHTH GRADE WRITING

The ability to communicate effectively through writing is critical even in this digital age. Mrs. Schoendorf, the Academy's middle school English teacher, works closely with our students in grades 5-8 to ensure they are proficient in writing prior to moving on to high school. Her writing projects spark the students' imagination as they refine their writing skills.

Fifth and Sixth grade recently completed a descriptive writing assignment during the remote learning snow days. The students drew a snow globe picture based on what they saw out of their window and then wrote a descriptive paragraph using the elements of descriptive writing. It was fun way to take advantage of remote learning as the scenes from each window were so different. The fifth grade students next assignment will be a poem to celebrate Pi Day on March 14. Sixth grade will be working on more descriptive writing as they start a project that will follow up on their Literature Class reading of "All Summer in a Day".

Seventh and Eighth grade recently completed book reports. The Eighth grade report had an interesting twist. The students were challenged to create a scrapbook book report, complete with a character sketch of the main character, a souvenir page, a diary entry of a minor character and an explanation of a selected quote. Next, Seventh grade is looking forward to working on a portrait of an Apostle, and Eighth grade will be shifting to work with figurative language as they follow up on the "Tell-Tale Heart," which they recently read in Literature Class.

All four grades are also refining their essay writing skills. Fifth grade has learned how to structure a three-paragraph essay. Sixth grade is building on the skills learned in Fifth grade and is writing a four-paragraph essay. Seventh and Eighth grades are learning how to structure a five-paragraph essay. Essay writing skills are an imperative for success in high school English and History classes. Practicing these skills over several years will build confidence for high school.

You have until April 30, 2021 to apply and complete the application. Call SFIC at 973-497-4283 if you have any questions. Thank you.

## YOUTH GROUP

It is that time of year again, Lent, but for the little ones of our parish, that means the Easter Bunny is coming. Though we are still a couple of weeks away, the YG began to prepare the eggs for the Parish Life Easter Egg "Hunt" in a bag. That is always a fun annual event. Our meeting started however, with conversation. Prior to the pandemic our teenagers were feeling stressed and anxious. For many, our global situation of covid has only magnified those feelings. Together the group shared things "weighing" on them and loved ones. Together, through the eyes of our faith, their concerns were heard, supported and peer guidance was offered. If you want to join the conversation or just help fill the bags, please reach out to the Youth Minister to get the most accurate meeting information.

## COMMUNITY OUTREACH

*Help us to Help Others*  *Together We Can*

Week 3 of the "Love Thy Neighbor" Lenten project and it has been truly inspiring! This week, our driving volunteers delivered the "care bags" filled with toiletries! We partnered with Black Drop Coffee and Stage House to give an extra surprise to our families. Together, we shared the love! If you are signed up to deliver next week, be sure to check your email for directions. We have collected hundreds and hundreds of breakfast bags and snack bags for the children of Plainfield. The response has been overwhelming! Keep them coming so we can continue to provide support for the kids! The Cleaning Buckets for our Vets at Valleybrook are amazing! With care and love we sent along a truckload of buckets to let our Vets know we care!

Together, we continue to spread love and support to those in need this Lent. Keep up the good work!

### 4th Sunday of Lent

*Of all the wonderful gifts that God has given to us, the gift of His own Son is truly the greatest. How can we ever thank God for a gift like that? God does not ask us to sacrifice our own precious firstborn, but He does ask that we are grateful and generous with our God-given gifts. That we nurture and develop our gifts, and in gratitude, generously give back with increase our time in prayer, our talent in charitable works and our treasure to support the mission and ministry of our parish and greater Church.*
