PARISH PROJECTS

As good stewards of your generosity, the Facilities Team provides you regular updates on St. Matthew campus projects, improvements, ongoing initiatives and enhancements.

Last week, we mentioned the wide range of projects planned for the summer break. We wanted to share a few of those projects our community can look forward to next year.

The Hutta kitchen is the largest and most needed initiative we have planned, thanks to your support through the Bishop's Annual Appeal. In the coming weeks, we will provide additional detail and regular status reports.

The rest of our projects focus on maintenance issues and better use of space in our school. This year we are adding a Pre-K class to allow more families to participate in a quality Catholic education. Converting a classroom for these little ones includes adding room darkening blinds, small furniture, cots, and rugs. We welcome all of our new families.

The school library will be configured to support two teaching and conversation areas to better utilize the space. We are giving the Hutta stage a facelift by removing old radiators and adding shelving and racks to more efficiently store props and costumes. The art room will be receiving sink and lighting upgrades. Around the playground, there are still pergolas to be built, railings to be painted, equipment to be touched up and a couple of trees to be planted. A fence will be added along the east side of the property to better control access to the playground from the surrounding neighborhood. The rest of the school will receive a deep cleaning.

We will continue work on the Sanctuary beautification project by completing the Apse area and starting work on the latticework murals. The St. Anthony Room walls and floors will be painted and refinished.

We are excited to bring you these updates and we welcome suggestions for facilities improvement. Please contact George Harvey at gharvey@stmatthew.net.

PROTECTING GOD'S CHILDREN SAFE ENVIRONMENT

SEMINAR – The Diocesan Safe Environment Compliance program requires that for an adult to interact with minors at the school/church, he/she must meet three requirements: attend a *Protecting God's Children* class; have a background check performed and complete the code of conduct (attached to the volunteer application). St. Matthew will be hosting two upcoming *Protecting God's Children* classes on **Wednesday, June 5** and **Wednesday, September 18**, from **6:00-9:00 p.m.** in the St. Anthony Room. As a convenience, Fast Fingerprints (a third party) will be on-site from **5:00-6:00 p.m.** to do background checks before the class starts. The background checks will stop once the class starts, so if you want to have your background check done that day, please plan to come early. The line can get pretty long. If you have already taken the PGC class and just need to have the fingerprinting done, please feel free to come to just the background check part. To register for the class, please visit <https://www.stmatthew.net/protecting-gods-children>.

HAVE YOU ALWAYS WANTED TO UNDERSTAND THE SUNDAY MASS READINGS BUT DIDN'T KNOW WHERE TO BEGIN? THIS IS FOR YOU!

Introducing a new study on the Sunday Scripture readings which connects both the Old and New Testament readings, the Psalms, and the Gospel for each Sunday Mass.

- Would you like to know the **connection** the readings have to each other at our Sunday Mass?

Join us along with Dr. Brant Pitre, a Distinguished Research Professor of Scripture at The Augustine Institute, who received his Ph.D. in New Testament and ancient Judaism from the University of Notre Dame as he develops in the videos all the riches of the Sunday readings.
