DIVINE MERCY PERPETUAL ADORATION

"O Trinity, eternal Trinity! Fire, abyss of love ... Was it necessary that you should give even the Holy Trinity as food for souls? You gave us not only your Word through the Redemption and in the Eucharist, but you also gave yourself in the fullness of love for your creature." – St. Catherine of Siena. In celebration of this Solemnity of the Most Holy Trinity (June 4), bless and thank our God for the gifts of His love and presence in the Eucharist while visiting with Him in our Adoration Chapel. PARISH PROJECTS

Given the generosity of our parishioners, the Facilities Team is pleased to provide updates on St. Matthew campus projects, repairs, improvements, and ongoing initiatives to provide a safe, healthy, and prayerful environment for you and our children.

It is hard to miss the construction in the Sanctuary. Before discussing the largest project we will be undertaking this summer, it may be helpful to provide some context as this is part of a much larger initiative.

Our Sanctuary Beautification Project was kicked off four years ago. The first element was the addition of Stations of the Cross statues followed by the Sacred Heart of Jesus and Immaculate Heart of Mary original paintings over the Altar. The Altar itself was simplified and made more visible as work commenced on the Apse area. The Apse ceiling was painted, and angels were added over the Tabernacle area. The most recent project was replacing the lights with high-efficient traditional lights.

After the sprinkler system froze last Christmas, major insulation issues were revealed which would require removing large areas of the walls to address the issue. We took advantage of this situation to include the next phase of the Beautification Project. The walls will be reconstructed in a more traditional architecture.

There are pictures posted on the Gathering Space information screen and on an easel near the church entrance.

We began hanging plastic over the first phase of the project last week. Wall demolition begins Monday. We will do what we can to control noise and dust during weekday construction. The plan is to start on the left side of the Altar and work around the perimeter counterclockwise. We apologize for any inconvenience; the result will be worth it.

Please don't forget we are looking for summer volunteers. No experience needed. Flexible hours ranging from a couple hours to a couple weeks and an opportunity to accrue service hours. Please feel free to contact the office anytime. Thank you.

Please do not hesitate to email suggestions on how we can better serve you and move our current projects forward. Send requests and suggestions to gharvey@stmatthew.net. Be safe, stay healthy, and God Bless.

PRO-LIFE CORNER

Live the
Gospel of Life

On Wednesday, May 24, St. Matthew hosted a presentation from the Greater Columbus Right to Life and the Columbus Diocesan Office of Social

Concerns. It was attended by 100 people and focused on the proposed abortion amendment to the Ohio constitution, scheduled for a vote this November 7. One point that the presenters emphasized is that this is not a political issue. This is a moral issue, and the passage of this amendment would violate several key Catholic doctrines on creation and the right to life.

This amendment is cleverly worded and deceptive regarding the "reproductive freedoms" that would be enshrined in our state constitution. The presenters highlighted that:

Abortion on demand would be permitted through all 9 months of pregnancy, using the health of the mother as the escape valve for abortions after viability.

Parental consent or notification would be eliminated for minors seeking abortion, sterilization, or gender transformation procedures. The amendment states that "every individual" has this right, making no distinction between adults and minors.

Religious conscience protections would be at risk for any medical practitioner refusing to participate in a patient's "reproductive decision." In fact, pregnancy help centers would have the same risk for not providing abortion information or referrals.

As polls have shown, many people in Ohio are "moderately pro-choice," and are susceptible to voting for this amendment based on the soft messaging from the media and the abortion lobby. But even a moderate pro-choice person would not support the extreme positions this amendment would lead to, which is why the language in this amendment is purposely broad and vague – to disguise their true intentions. What can we do about this amendment? Pray for its defeat, inform others on what this amendment actually does, and vote NO on this amendment in November. For a quick reference guide on this amendment, see the Learn More section at this GCRTL link: <https://www.gcrtl.org/stop.html>.
