My Dear Friends,

   "Woman, behold your Son....
   Behold your Mother."   John 19:26-27

Just as Jesus bestowed the care of His Mother to John, the Apostle, so we are endowed to care for the parish shrine that honors our Blessed Mother.

For years, interested parishioners of St. Matthew have donated to the area called the Mary Garden, which is located between the Rectory and the School. Because of drainage problems and other encumbrances, the plans could not move forward to enhance the space - until now.

From the desire of major donors has evolved the plan to do something permanent for the statue of the Blessed Mother and the garden protecting her.

I call your attention to the design on the next page of this brochure. The work is scheduled to begin sometime this month. The area will be defined by trees and shrubs, and the stone used in the wall behind the statue of Mary and the seat walls will tie in with the other structures on our property. Proper excavation will allow for improved drainage throughout the garden area.
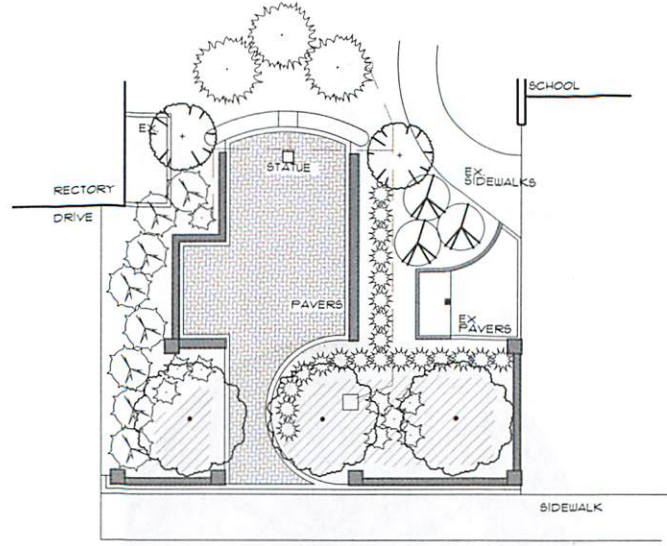

Paving will lead up to the statue of Mary, and ample seating will be provided for prayer and meditation. Pavers will be available to honor or in memory of a loved one. Please see the "Paver section" of this brochure and, if interested, use the card to return with your donation.

Our goal is to provide a quiet, prayerful space in a natural setting, showing our care and honor of our Blessed Mother.

Sincerely yours in Christ,

Fr. Ted
