

#### A REFLECTION FROM LISA NAKAMURA, **FAITH FORMATION**

How do you practice your faith with your family?

When I was younger I thought that going to church on Sunday was enough to practice my faith. My parents took all four children to mass each Sunday. We attended all the Holy days of Obligation, Christmas and of course Easter. As I got a little older, my mother thought her family needed more God and Jesus in the home. Like most mother's she was right. My

mother started experimenting and doing things with the family that were outside of Sunday mass. We did a Jewish/Christian Passover at the dinner table that I still remember today. It is important to bring your faith to life in your home and with the family. Here are several ways that can help you practice your faith in the home.

**Keep the Sabbath Holy**-Every Catholic knows that Sunday mass is not an option. Pick a time that works with your family. If you like to sleep in on Sunday, we have a 12:00pm and 6:00pm mass on Sunday. Giving 45 minutes to God to say "Thank You" for all the blessings you have sets a practice of gratitude for your children to observe.

**Create a Sacred Space in the Home-**Having a prayer space at home tells your children that prayer is important to you. Locate the pray space in a visible place in the home. Use Sacramentals to decorate your space. A Crucifix, Candle, Bible, statue of Jesus. Take time as a family to pray for a couple of minutes in the morning before everyone goes to school. If you're in a rush in the morning, pray together before bedtime and name all the events you are grateful for that happened during the day.

**Teach your children to do good works-**In Scripture, Jesus not only instructs us on what the works of Mercy are, he also provides examples in his ministry. The Corporal (body) works of Mercy are: Feed the hungry, Give drink to the thirsty, Shelter the homeless, Visit the sick, Visit the imprisoned, Bury the dead, Clothe the naked. Lead by example to your children. Donate clothes and other items to a shelter. You can make bagged lunches and pass them out to the homeless people that you see during the day.

#### RELIGIOUS EXEMPTION FROM COVID VACCINATION - BISHOP OSCAR CANTÚ

As recent COVID vaccine mandates have been imposed in certain DIOCESE OF industries and professions, some Catholics may seek a "religious" exemption from you to the several vaccines now available. For

clarity, a religious exemption is a public declaration that a person's decision to refuse a vaccine is rooted in and supported by – in the case of a Catholic – authentic Catholic faith. However, such a declaration is inconsistent with the Holy See's declaration that the COVID vaccines are morally permissible, especially considering the urgency and common good (the need to help curb the loss of life, diminished mental and physical heath, and a struggling economy, etc.) during this pandemic.

While a person may decide that, in conscience, they cannot receive the COVID vaccine, we cannot equate individual objection with doctrinal authority. Though an individual has a right to conscientious objection, the authority of their objection derives from their personal conscience, not from the teaching of our Church. For these reasons, I ask our Pastors to compassionately decline requests to sign declarations rejecting the COVID vaccine on religious grounds.

#### Stewardship of Treasure Report - July 2021

Thank you to everyone for your support of the mission and ministries of our parish. During the month of July, our average weekly collection was \$17,925 (2.5% decrease vs. June 2021). You also generously donated to various important causes in our July (second collections) at \$11,597 (\$2,899 a week.) This

brings our July weekly average to \$20,824. We budgeted our Sunday Offertory income for the July, 2021 (4 weeks x \$16,000) at \$64,000 and received \$71,700. Additional income helps us to pay-down our \$1.8 million debt. As you know, we are dependent upon you, our parishioners, for living-out our parish mission.

#### FIRST SUNDAY OF THE MONTH - SECOND COLLECTION - MORTGAGE **DEBT REDUCTION**

Next Sunday, there will be a second collection to reduce our \$1.6 million-dollar parish debt. We collected nearly \$100,000 last fiscal year. The sooner we pay off this debt, the more funds we will have available to support other vital services in our growing parish. Thank you for your generosity.

Q. Do I have to Pray every

A few other questions to ask as well: "Do I have to eat every

day?" "Do I have to sleep every day?" "Do I have to brush my teeth every day?" For a day, maybe even more, one could forgo doing these things, but a person would not like it and it could actually do harm. By not praying, one could become self-centered, selfish, and depressed. These are just a few of the consequences. Perhaps that is why Christ commands His disciples to pray always.

Christ also tells His disciples that when one prays, he should go to his inner room and to pray alone. Yet, Christ also says that when two or three are gathered in His name that He is present. Christ wants both private and communal prayer. Prayer, whether private or communal, may come in many forms: blessing and adoration, petition, intercession, praise, and thanksgiving. In all these forms, prayer is a conversation with God.

At times it is a dialogue, but many times it is listening. Sadly, many people think that prayer is telling God what they want or need. These people are disappointed when they do not get what they want. This is why it is important to see it as a conversation where one also allows God to communicate what He wants for that person.

Would one ever ask, "Do I have to speak to my closest friend every day?" Of course not! That's because one usually longs to speak with his or her friend to strengthen that friendship. So too, God wants His disciples to grow closer to Him. This is done through prayer. If one practices praying every day, one grows closer to God, one grows closer to the Saints in Heaven, one becomes less self-centered and, therefore, more God-centered.

So, start praying to God! Try not to do too much in one day. Prayer, like physical exercise, needs to be built up. One who is out of shape cannot do a marathon on his or her first day of exercise. The important thing to remember is to not get frustrated but to listen for the Lord to speak. When you speak, keep it focused on asking God to help others, especially the sick and suffering, including the souls in purgatory.

#### **MISSIONARY COOPERATIVE APPEAL - AUGUST**

29 - WELCOME FR.
THOMAS MANJALY
The Society of the
Catholic
Apostolate,
commonly known
as the Pallottine
Fathers and Brothers.

is an International Religious Community of Priests and Brothers serving the missions in over 59 countries. This was founded in 1835 by St. Vincent Pallotti, a Roman diocesan Priest to revive faith and rekindle charity among all and he called everyone to be an apostle of God's love and mercy. "Love of Christ urges us all" was his motto.

The Pallottines work mostly in mission countries and the Pallottines in Milwaukee, WI, support the missions in India and Zambia, Africa. They bring the good news of God's love and salvation to the poor people in remote interior areas where there are no modern facilities by providing them the basic necessities of life as well as educating poor children in the villages as they share the Gospel of Christ. Please be generous in this Sunday's Missionary Cooperative Collection.
