When your prayer time [during adoration] is over and you go on your way, **how** do you experience your own strengths and weaknesses? **What** opportunities are there to work with others to improve society's attitudes toward people who can't speak up for themselves? **Look** for ways to stretch across religious differences to **make** this a safer world for all. **Thank God** for the goodness in human nature that wants to lift up children and others who can't take care of themselves. —from the book [Eucharistic Adoration: Reflections in the Franciscan Tradition](#) by the Franciscan Sisters of Perpetual Adoration
