## Parish-wide Lenten Study

"Jesus encouraged John the Baptist and his followers not to take offense at Him when their faith in Christ brought them suffering and threats (Mt 5:2-6) Engage the Whole-Life Confession journey if the practice of your faith is causing you to suffer persecution for Christ's sake. Hold fast to belief in Him as the Son of God and take no offense."

### Helpful tips:

~Let the Holy Spirit guide you in this process. The important thing is your *personal journey* and the prayer and reflection this study brings to you.

~Don't be discouraged if some exercises move you more than others. Pay attention to what jumps off the page and speaks to you; Dwell on it, pray with it.

~Use the book as your own – highlight phrases, make notes, draw or doodle your insights.

**Share your thoughts?** Email, text or call the office with feedback on how the Lord is working with you in this Lenten Study. See back of bulletin for shared comments!

Free books available – at both entrances  
*Your Pastoral Council is praying with you in this journey*

## URGENT ACTION NEEDED TO OPPOSE THREATENING LEGISLATION

**"If you don't behave as you believe, you will end by believing as you behave." ~ Fulton J. Sheen**

**"Too many people get credit for being good, when they are only being passive. They are too often praised for being broadminded when they are so broadminded they can never make up their minds about anything." ~ Fulton J. Sheen**

*. . . . .Therefore:*

### **Speak Up!**

As Oregon pro-life Catholics, it is our job to be the voice for the most vulnerable in our communities. Our legislators serve to further our voices within the Capitol. Although we sit in a difficult position with a pro-choice supermajority in Oregon, we need to make the pro-life message heard.

This year, Oregon Right to Life is introducing two important pieces of pro-life legislation:

Born Alive Infant Protection (SB 586 & HB 2699) — requires medical care be given to a baby that survives a failed abortion.

Pain Capable Unborn Child Protection (SB 671 & HB 2540) — prevents abortion after 20 weeks gestation, when medical professionals agree an unborn baby feels pain.

Both are modeled on federal legislation and laws that have been passed in other states. Over 75% of all Oregonians support giving medical care to babies that survive a failed abortion. Here in Veneta/Elmira:

Everyone deserves to be treated with respect and dignity. The Equality Act, which is being voted on in the U.S. House of Representatives soon, in many ways does the opposite and needs to be opposed.

Instead of respecting differences in beliefs about marriage and sexuality, the Equality Act would discriminate against people of faith.

**St. Ignatius' spiritual exercises – Sharing the blessings of our Lenten Study .....**

*"I had a real 'Aha' moment around Day 4"*

*"By Day 5 I was really into it"*

*"The words 'fantasies' and 'daydreams' have a negative connotation for me, and I found myself resisting the spiritual exercise because of this. So I crossed out those terms and replaced them with words like 'trains of thought' 'reflections' 'musings' 'imaginings'. Then I felt myself more willingly led into the exercise."*

*Confused about what 'Day' you're supposed to be on? Worried you may fall behind or not be in the 'right place' in the process? 😊 **Relax** into this experience. Let the Holy Spirit lead the way – if you want to soak in a particular exercise for several days before moving on, **do that!** Some parts of this study will 'hit the spot' more than other parts for each person – and **that's okay!***

**Discerning the Priesthood or know someone who is?**
