

Our Mission Statement

Visitation is a Catholic Parish School that prepares students to be responsible citizens and life-long learners committed to proclaiming the Good News of Jesus Christ.

Our Philosophy

Visitation Catholic School is dedicated to the four-fold principles of Catholic education: message, service, community, and worship. In accordance with these purposes, we are committed to the building of a Christ centered community of students. We believe all who participate in the process have vital and distinct roles.

- We honor the rights and responsibilities of parents as primary educators and aim to build upon their foundation of religious and moral teachings.
- We provide opportunities for worship, prayer, reflection, service and celebrations of our Catholic faith and traditions.
- We are committed to an environment where respect for each child is demonstrated in words and actions.
- We maintain a rigorous curriculum that motivates students to achieve academic and personal excellence.
- We value the professional development of our staff to ensure challenging programs which inspire student success.

Our Faith, Our Families, Our Future

It is never easy to ask for help... give the gift of an academic and spiritual foundation to a child in need today

At some point in life even the most prepared can experience hardships: a death in the family, the loss of a job, and numerous things that set our lives on end. Each year, Visitation families, parishioners, alumni and friends have been invaluable in helping us assist families touched by difficulties, by making contributions to the tuition assistance program. Currently, 60% of our students receive financial aid.

We would like to add another opportunity to increase our support for Visitation families with tuition through the Sponsor-a-Student Program. We need your help so that we can continue to provide Catholic Education to those families who need it. It is with your help that we can pass on the light of our faith, and what better way than to provide for our children. Please consider making a TAX DEDUCTIBLE donation to our Sponsor-a-Student Program.

"Our children never knew we needed assistance, but without it we would not have been able to provide them with a Catholic education. We will be forever grateful for the financial assistance we received during the rocky times of unemployment. Our children gained valuable life skills, as well as academic and spiritual foundations in a faith-based education that will last them a lifetime."
