

VOLUNTEERS AND CATECHISTS

On behalf of the Clergy and Staff at St. Anthony, I would like to thank you for volunteering for our Church Ministries and Religious Formation.

The Diocese of San Bernardino requires that all church workers or volunteers who have contact with minors under the age of 18 must have a CMG certificate and submit to fingerprinting. To obtain your certificate, you can create an account with CMG and take the course that will grant you the certificate. You can register at the following website:

<https://sanbernardino.cmgconnect.org/>

As soon as you have finished your CMG certificate exam, please send it to us as quickly as possible so we can add it to your file and ensure everything is in order, as required by the Diocese.

All volunteers will be notified when to come in for their fingerprints so that we have all the necessary record information.

If you already have your certificate, please attach it to this form and give it to the head of your Ministry. You can get your copy by logging into your CMG account. All certificates done by ***Virtus have already expired.***

Thank you for being part of our church and for obtaining your certificate and fingerprints. The safety of our children and teens is essential to our parents and the St. Anthony family. We know that without your help and support, none of this would be possible.

Blessings,

Veronica Villatoro,
Parish Secretary and CMG Administrator
