NECROLOGY CLERGY OF THE ARCHDIOCESE OF KINGSTON

Message from Archbishop Brendan M. O'Brien

26 February 2016

This updated version of the 2002 necrology of deceased Archbishops, Bishops, Priests and Deacons of the Archdiocese of Kingston provides basic information about most of the deceased clergy who were born, or served, in the Archdiocese from its earliest beginnings. This information has been gleaned from our two diocesan histories: *BUILT ON A ROCK: The Story of the Roman Catholic Church in Kingston 1826-1976* (Lt. Col. Louis J. Flynn, 1976) and *SPRINGING FROM THE ROCK: A Portrait of the Archdiocese of Kingston 1976-2001*, as well as from Annual Reports and diocesan archives.

I ask that this necrology be kept in the sacristy of the church, so that we can remember in prayer, during daily Mass and especially on the anniversary of death, our brothers who have served the Church so faithfully over the years. The names of clergy with a connection to a particular parish should be mentioned during Mass on their anniversary of death.

As can be seen from the Index, the necrology, which will be updated periodically, has been formatted to allow for easy access.

We are aware that our priestly fraternity extends beyond the grave, and our ongoing remembrance of our deceased brothers is an important expression of that fraternity.

Sincerely in the Lord,

† Brendan M. O'Brien
Archbishop of Kingston
