Penny Collection: August 1 - 2

Become a Registered Parishioner

We warmly welcome all who worship with us at the Church of the Immaculate Conception. Registering as a parishioner helps us get to know you, serve you more effectively, and keep you informed about parish life, ministries, and events.

Parish registration is important for receiving letters of eligibility to serve as a sponsor for Baptism or Confirmation, obtaining sacramental records, and participating fully in the life of our parish. To be considered an active parishioner, we encourage regular participation in Mass and parish life.

Are you 21 or older? If you are 21 years of age or older, you should register independently, even if you were previously included in your parents' household registration. If you are home from college or returning for the summer, this is the perfect time to become a registered parishioner.

To register, please visit the Parish Office or complete the online registration form available on our parish website.

We look forward to welcoming you as a member of our parish family.

Stewardship Scripture reflections

Fourteenth Sunday in Ordinary Time (July 5, 2026)

"Come to me, all you who labor and are burdened, and I will give you rest. Take my yoke upon you and learn from me, for I am meek and humble of heart; and you will find rest for yourselves. For my yoke is easy, and my burden light..." Matthew 11:28-29

Generosity is not a burden, but a liberating experience. It liberates because the generous person is walking in the yoke with Christ sharing gifts and challenges.

Our Church

New Addition for the Hearing Impaired

We are pleased to offer ListenWiFi, a new assistive listening system designed to help parishioners with impaired hearing participate more fully in worship. This system allows those with Bluetooth-enabled hearing aids to receive a wireless audio signal directly from the church sound system through their smartphone, providing greater clarity and enhancing participation during Sunday Mass and other liturgical celebrations.

We are committed to making our liturgies accessible so that all members of our parish family can participate fully in prayer and worship. We encourage anyone who experiences difficulty hearing during Mass to explore this new service and discover whether it enhances their experience.

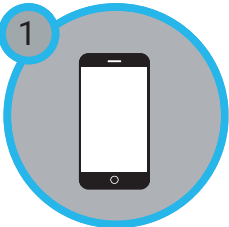

ListenWiFi is an audio streaming system that transmits the spoken word and other sound from the church's sound system over the church's secure Wi-Fi network. Rather than relying only on the room acoustics, eligible users can receive the audio directly through their hearing technology.

For more information or assistance, please contact **Carol Brady** at cbrady@icsomerville.org or the Parish Office at **908-725-1112**.
