MARCH NEWS

3/4 Preschool Program 2026

Read-A-Thon

Our Read-A-Thon Fundraiser is from March 9th - 23rd. We are excited to share the love of reading with our students. All money raised goes directly to support our preschool.

Learning Focus

As we welcome the upcoming Spring season, it will be a key topic of discussion in our preschool class. To enhance your child's learning experience, we ask that you continue to review colors, shapes, and numbers (1-5). Fine motor skills are developing, and we encourage you to work with your child on correctly holding pencils, crayons, and scissors.
