Second Collection for the Catholic Home Missions Appeal

Next weekend, April 29th and 30th, we will take up a second collection to support the Catholic Home Missions Appeal.

What is a home mission diocese? Home mission dioceses are those Catholic dioceses in the United States, its territories, and former territories that cannot provide basic pastoral services without outside help. Basic pastoral services include Mass, the sacraments, religious education, and ministry training for priests, deacons, religious sisters, and laypeople. Nearly 40% of dioceses in the United States and its territories are considered home missions.

Soup and Bread Supper

Many thanks and appreciation to all for the help with the soup supper in 2023. Thank you to those that donated items, for those that accomplished the chopping of vegetables, for the chefs that made quick work of making the soup, for those that helped with the serving, (especially the Confirmation candidates) and of course those that took care of clean up. All of your help made the event a success.

Special thanks to Wegmans, Tops Friendly Markets, and Leo's Bakery, all of whom made kind and generous donations which made the supper possible!

The donations from the supper totaled \$449.39. This amount will be added to what we will receive from the Rice Bowl banks, and will be donated to Catholic Relief Services Rice Bowl. Lenten alms donated through CRS Rice Bowl support the work of CRS in more than 100 different countries each year, and twenty-five percent of donations to CRS Rice Bowl stay in the local diocese, supporting hunger and poverty alleviation efforts.

Good News!

April 23, 2023

Third Sunday of Easter (A) Acts 2:14, 22-28 / 1 Peter 1:17-21 Luke 24:13-35

A multiple-choice question: Life is (a) purgatory, (b) a party, (c) drudgery, (d) a maze, (e) a trial. Many of us might be inclined to answer, "All of the above." Life takes us along many paths, through many fields, and down many blind alleys.

The Camino de Santiago is a hiking trail of about 500 miles that begins in France, makes its way through Spain, and ends at the Cathedral of Santiago de Compostela, where tradition has it that the remains of St. James are buried. Many walk the journey to discover who they are and what their lives are about. Walking ten to fifteen miles a day with little to think about other than one's life tends to turn the hike into a pilgrimage that thousands have made over the centuries for just that purpose. The pilgrimage is arduous, often plagued with rain, blisters, shin splints, and a discovery of how to travel light. But then, such is all of life.

This week's Emmaus Gospel recounts a similar journey compressed into one day. Like life, it begins in confusion, is scattered with insights and revelations about what has just taken place and ends with the discovery that the Lord has been the one walking with them. Faith does not solve one's problems nor eliminate one's difficulties. It does help us understand life and find meaning in the midst of it all, and somehow it brings us to realize that we do not travel alone, making the journey worthwhile and blessed.

—FR. JOSEPH JUKNIALIS
