Urn vaults purchased from Calvary Cemetery range in price from \$175.00 - \$300.00 depending on size.

One full body and one cremation burial or two cremation burials may be allowed in the same full-sized grave upon approval by the Cemetery Director. Approval for a second burial in one full-sized grave is granted on a case-by-case basis. A second rite of burial fee will be charged for the second burial in addition to the opening/closing fee.

Only one cremation burial is allowed in cremation grave spaces.

Bronze Memorial Markers can be purchased from Calvary Cemetery. A wide variety of sizes and designs are available, and staff would be happy to assist with this decision.
