- I. Please remember that these resolutions are legal documents and thus require original signatures on <u>all</u> forms.
- II. A letter of approval from the Diocesan Arts and Environment or Liturgical Building Committee is required for any renovation, remodeling, or redecoration of church exteriors and interiors. The Building Committee should be consulted about any other major changes in parish/school buildings. It is the Pastor/School Administrator's responsibility to obtain this letter before submitting the resolution.
- III. Normally, major projects should have two (2), preferably three (3) bids for work contracted. Where there are reasons for fewer bids please include an explanation for the Board of Consultors.
- IV. The permission amount requested should include the total cost of this project, phase of the project or property/equipment. Every anticipated expenditure should be included in the estimate, including the cost of all interior decoration, furnishings, heating, plumbing, electrical and lighting fixtures, stained glass windows, all exterior improvements, paving, landscaping, architect's fees and all other attendant items. (Attach an itemized summary if applicable.)
- V. A financial statement of parish/school funds must accompany all resolutions for expenditure of funds. Please use the most recent monthly report of your parish/school for this purpose.
- VI. All resolutions <u>must</u> include an attached narrative on how the proposed project referenced in the resolution enhances the Catholic mission of the Diocese, Parish and/or School system.
- VII. ADDENDUM TO CONSTRUCTION CONTRACT is required for all projects \$10,000 and above.
