**Giving an account**

When we read today's Gospel, we are reminded that we are called to be stewards of all that God has given to us and with that which God has blessed us – our talents and personal gifts, our material goods, possessions and wealth, and even our very bodies and our lives. All of this belongs to God and we are stewards of these things. Jesus appeals to the beginning in other places in Sacred Scripture. This is true from the very beginning, from Genesis: "God blessed them and God said to them: Be fertile and multiply; fill the earth and subdue it. Have dominion over the fish of the sea, the birds of the air, and all the living things that crawl on the earth." One day God will call each of us to Himself and require from us an account of our own stewardship of what God has given to us. Therefore, we must all be good stewards of our blessings. Today, let us call this to mind and resolve to do answer that call to stewardship.

Peace,  
Fr. Jason Johnston

## STEWARDSHIP IN ACTION

September 11, 2022 Regular \$ 7,741.00 Online \$ 4,018.21

The dishonest manager in today's parable knew how to manipulate money to his own advantage. But the Gospel warns that no one can serve both God and money. Which do I serve? Is my stewardship such that anyone can tell?

# FORMED®

PICK OF THE WEEK

Sept 18, 2022

## WATCH

### PADRE PIO: BETWEEN HEAVEN AND EARTH

Based on the historical records and the personal testimony of his fellow friars, this is the amazing true story of the life of the famous stigmatic monk, St. Padre Pio, a contemporary saint who died in 1968. Filmed on location in Italy, starring Michele Placido in a moving performance, this film tells the whole story of the beloved monk from San Giovanni Rotondo, a place where millions of pilgrims now annually visit Padre Pio's grave.

## LEARN

### FORMED FOR MISSION EPISODE 20: AN APOSTOLIC SPIRITUALITY

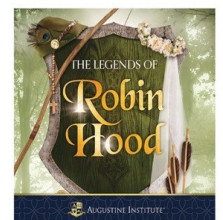

Dr. Ben Akers and Taylor Kemp sit down for a weekly show on evangelization and mission. "Evangelizing is in fact the grace and vocation proper to the Church, her deepest identity. She exists in order to evangelize" (EN, 14). We pray that these discussions may help all the faithful be further conformed to Christ and become powerful evangelists in the world today.

## LISTEN

### THE LEGENDS OF ROBIN HOOD AUDIO DRAMA

The child of a reputable family and a faithful son of the Church, Robert of Locksley had no intention of becoming an outlaw. But the relentless cruelty and tyranny by the elite nobility of England demanded that someone rise up to give answer. And so Robert of Locksley became Robin Hood — a man thrown into a fierce struggle to balance his deep faith with a call to action in a violent age.

### Adult Ed Class Resumes Today!

**2022 Adult Ed.'s topic will be "The Cathedral" a Great Courses video series led by Dr. William Cook, a professor emeritus of medieval history at SUNY Geneseo.**

Dr. Cook's lectures will be 30 minutes long followed by 20 minutes of group discussion. His lectures look at the history and development of the Cathedral throughout church history, including the early Romanesque through the development of High Gothic in the 13th Century. The course also makes close examination of Notre Dame, Chartres and other masterpieces of Christian architecture. The course closes with how Gothic architecture spread throughout Western Europe and eventually to the New World.

The study of the history of Cathedrals will enlighten your faith. The Gothic cathedrals are the apex of Christian architecture, both aesthetically and spiritually. This is no small fact. As Pope Benedict XVI argued: *"I have often affirmed my conviction that the true apology of Christian faith, the most convincing demonstration of its truth...are the saints and the beauty that the faith has generated"* (*"The feeling of things..."*, 2002, para. 15).

The Good, the True and the Beautiful point us directly towards God. If that's right, then a beautiful space like Notre Dame, isn't just historically important, its beauty -- like all genuine beauty -- is a foretaste of heaven and the direct presence of God (Beatific Vision) which it offers.

If you'd like to learn more as well as have the opportunity to discuss the lectures with other parishioners, join us for class on Sunday mornings (during religious ed.) at 10:15am in the parish hall. Class starts today, September 18th.

Fan the flame of the Spirit. Let his fire burn away all doubt and hesitation, so that you can become a beacon of faith, hope, and love for the people around you – your family, friends, neighbors, co-workers, and all who come in contact with you.

Prayer;

*"Lord Jesus,  
fill me afresh with your Holy Spirit  
and help me identify the gifts you've given me  
so that I can fan them into flame.  
Help me to put aside any attitudes that can dampen the flames!"*
