Reading I Ez 2:2-5

As the LORD spoke to me, the spirit entered into me
and set me on my feet,
and I heard the one who was speaking say to me:
Son of man, I am sending you to the Israelites,
rebels who have rebelled against me;
they and their ancestors have revolted against me to this very day.
Hard of face and obstinate of heart
are they to whom I am sending you.
But you shall say to them: Thus says the LORD GOD!
And whether they heed or resist—for they are a rebellious house—
they shall know that a prophet has been among them.

Responsorial Psalm 123:1-2, 2, 3-4

R. (2cd) Our eyes are fixed on the Lord, pleading for his mercy.
To you I lift up my eyes who are enthroned in heaven — As the eyes of servants are on the hands of their masters.
R. Our eyes are fixed on the Lord, pleading for his mercy.
As the eyes of a maid are on the hands of her mistress, so are our eyes on the LORD, our God, till he have pity on us.
R. Our eyes are fixed on the Lord, pleading for his mercy.
Have pity on us, O LORD, have pity on us, for we are more than sated with contempt; our souls are more than sated with the mockery of the arrogant, with the contempt of the proud.
R. Our eyes are fixed on the Lord, pleading for his mercy.

Reading II 2 Cor 12:7-10

Brothers and sisters:
That I, Paul, might not become too elated,
because of the abundance of the revelations,
a thorn in the flesh was given to me, an angel of Satan,
to beat me, to keep me from being too elated.
Three times I begged the Lord about this, that it might leave me,
but he said to me, "My grace is sufficient for you,
for power is made perfect in weakness."

Reading II *continued*

I will rather boast most gladly of my weaknesses,
in order that the power of Christ may dwell with me.
Therefore, I am content with weaknesses, insults,
hardships, persecutions, and constraints,
for the sake of Christ;
for when I am weak, then I am strong.

Alleluia

R. Alleluia, alleluia.
The Spirit of the Lord is upon me,
for he sent me to bring glad tidings to the poor.
R. Alleluia, alleluia.

Gospel Mk 6:1-6

Jesus departed from there and came to his native place, accompanied by his disciples.
When the sabbath came he began to teach in the synagogue,
and many who heard him were astonished.
They said, "Where did this man get all this?
What kind of wisdom has been given him?
What mighty deeds are wrought by his hands!
Is he not the carpenter, the son of Mary,
and the brother of James and Joses and Judas and Simon?
And are not his sisters here with us?"
And they took offense at him.
Jesus said to them,
"A prophet is not without honor except in his native place
and among his own kin and in his own house."
So he was not able to perform any mighty deed there,
apart from curing a few sick people by laying his hands on them.
He was amazed at their lack of faith.

Once we take our eyes away from ourselves, from our interests, from our own rights, privileges, ambitions - Then they will become clear to see Jesus around us.

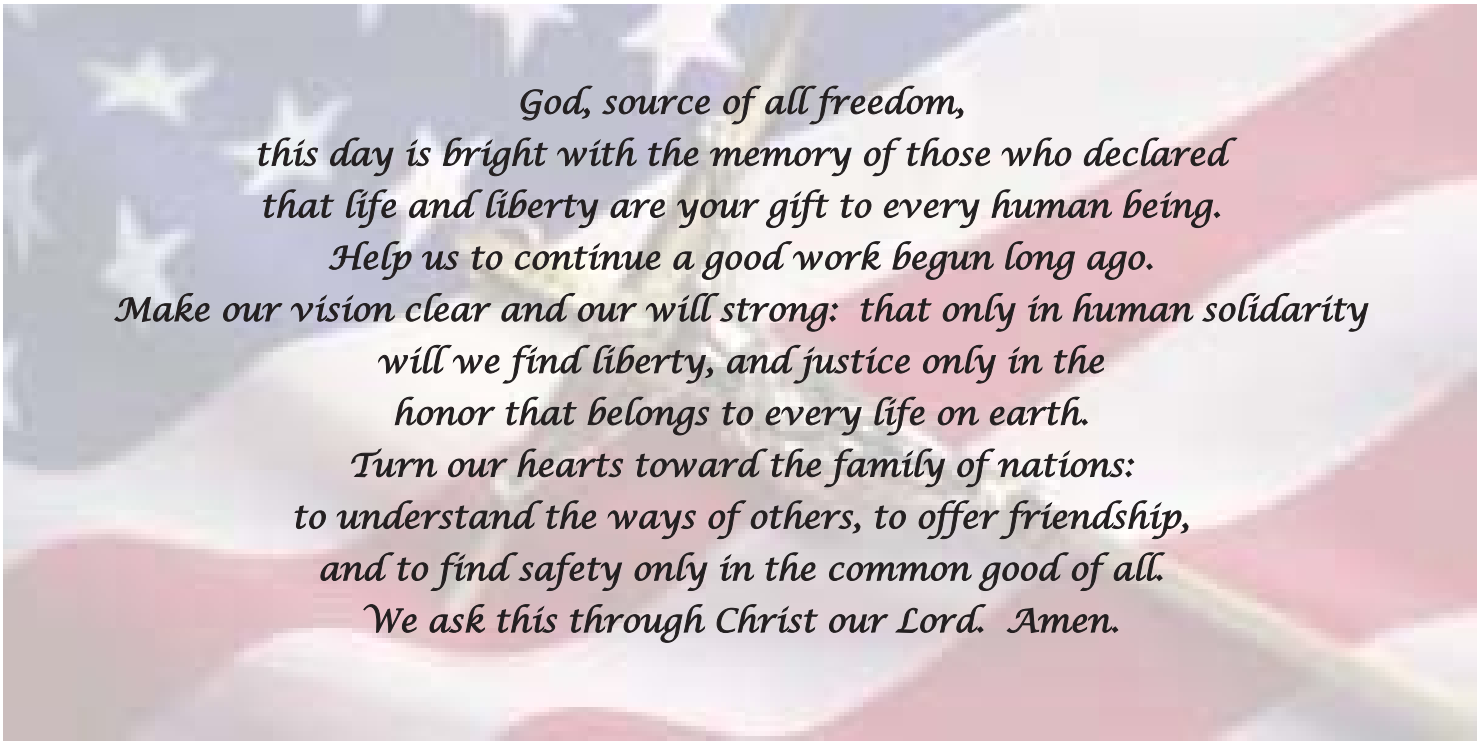
WELCOME BACK!

Home. What is home? The pandemic has revealed to us that our homes are so much more than our houses. Home is our family, our friends, our community. Home is our churches, our places of worship, our parishes. Home is the Mass: the Sunday Mass Obligation has been reinstated and we are fully open! To all those who have been away, welcome home!

7:30 AM SUNDAY MASS RESUMES AT ST. AGNES ON JULY 11TH

The 7:30 AM Sunday Mass will resume on July 11, another milestone for our return to a more "normal" way of life, and many prayers of thanksgiving for this blessing!

EUCHARISIC MINISTERS, LECTORS, AND ALTAR SERVERS: The Ministry schedule is now posted for July 10th through August 29th. For the purpose of our MSP ministry scheduling, if you wish to be on the 7:30 AM Mass scheduling rotation, you will need to update your MSP profile. The new schedule for July and August has several open assignments at the 7:30 AM Mass for Eucharistic Minister, Lector, and Altar Server. Please call the Collaborative office if you would like guidance or have questions on Ministry scheduling.



Many prayers for a happy, healthy, safe and blessed Fourth of July.

SON OF MARY: SCOTT HAHN REFLECTS ON THE FOURTEENTH SUNDAY IN ORDINARY TIME

ST. PAUL CENTER
for Biblical studies with Dr. Scott Hahn

As we've walked with the Apostles in the Gospels in recent weeks, we've witnessed Jesus command the wind and sea, and order a little girl to arise from the dead. But He seems to meet His match in His hometown of Nazareth. Today's Gospel is blunt: "He was not able to perform any mighty deed there."

Why not? Because of the people's lack of faith. They acknowledged the wisdom of His words, the power of His works. But they refused to recognize Him as a prophet come among them, a messenger sent by God.

All they could see was how much "this man" was like them—a carpenter, the son of their neighbor, Mary, with brothers and sisters.

Of course, Mary was ever-virgin, and had no other children. The Gospel refers to Jesus' brothers as Paul refers to all Israelites as his brothers, the children of Abraham (Romans 9:3, 7).

That's the point in today's Gospel, too. Like the prophet Ezekiel in today's First Reading, Jesus was sent by God to the rebellious house of Israel, where He found His own brothers and sisters obstinate of heart and in revolt against God.

The servant is not above the Master (Matthew 10:24). As His disciples, we too face the mockery and contempt we hear of in today's Psalm. And isn't it often hardest to live our faith among those in our own families, those who think they really know us, who define us by the people we used to be—before we chose to walk with Jesus?

As Paul confides in today's Epistle, insults and hardships are God's way of teaching us to rely solely on His grace.

Jesus will work no mighty deeds in our lives unless we abandon ourselves to Him in faith. Blessed then are those who take no offense in Him (Luke 7:23). Instead, we must look upon Him with the eyes of servants—knowing that the son of Mary is also the Lord enthroned in the heavens.

SHE GAVE ME MY LIFE BACK

Local clinic has a modern, medical solution to treat your **Peripheral Neuropathy** and is seeing incredible results!

"It started out as a normal outing. My wife and I had to run to the grocery store. We were driving down the road casually going over our shopping list when the car ahead of me started to slow down anticipating the yellow light. I started to move my foot from the gas to the brake as any normal person would do when they see brake lights in front of them but I couldn't. I couldn't feel my foot. The car kept moving forward and I just couldn't get my foot on the brake. And CRUNCH! I finally came to a stop when I hit the car in front of me."

This tragic story was shared with us by Dan S. a Burlington resident who has peripheral neuropathy. And while no one was hurt in this accident, Dan S. had suffered almost everyday of his life with tingling and burning in his feet until numbness set it and he could no longer feel even the brake pedal beneath his foot.

"The first stage is pain." shares Acupuncturist Min Jeon of AWC|Acupuncture & Wellness Clinic. "You feel burning, tingling, sharp pains, or you feel like you're walking on tacks or marbles. This pain eventually subsides and the numbness sets in. Unfortunately, the numbness brings with it a whole other host of problems."

This was the case with Dan. "I said I wasn't going to drive again. What if that had been a pedestrian?"

It is terribly common that peripheral neuropathy and its debilitating symptoms interfere with a person's ability to live their life. Dan was now reliant on his wife to drive him around, even the simple pleasure of cruising down Route 1 or taking her out to dinner was outside his capabilities. And even more common, Dan's general practitioner and several specialists told him there was nothing they could do other than prescribe him pills that would ease the pain of his neuropathy.

That's where Acupuncturist Min and her staff at AWC come in. "About 75% of our current patients come to us suffering from the same condition as Mr. Dan," tells Min Jeon Lic.Ac. "They're in constant pain from neuropathy and it prevents them from not only living their lives but more importantly, it prevents them from enjoying it. Depending on the severity of their nerve damage, we typically see tremendous progress in 3-4 months of treatment. I like to say we're in the business of making your golden years golden."

"I can't lie," confides Dan. "I was skeptical at first. The folks down at Mass General told me there was nothing that could be done and then there's a Acupuncturist right here in Burlington tells me she can help. Turns out she was right! About three months after treatment I was able to confidently drive myself to my appointments! My wife and I celebrated by buying ourselves a new car! It's hard to put into words how incredible this is, quite frankly Acupuncturist Min Jeon gave me my life back."

While AWC specializes in acupuncture and it's definitely part of their protocols in treating neuropathy, the real secret is in a more modern medical solution called ATP Resonance BioTherapy™. "This technology was originally developed by NASA to expedite healing and recovery" shares Maureen, a Senior Patient Care Technician at the clinic. "It's like watering a plant. ATP Resonance BioTherapy™ stimulates the blood vessels to grow back around the peripheral nerve and provide them the proper nutrients to heal and repair."

You can learn more about Acupuncturist Min and AWC by visiting AWClinic.com. If you're ready to schedule a consultation call (781)221-0162 and do so quickly. AWC is a very intimate clinic and the staff takes pride in their ability to take their time with each patient so they are very limited in their ability to take on new patients.

SHE GAVE ME MY LIFE BACK

Local clinic has a modern, medical solution to treat your **Peripheral Neuropathy** and is seeing incredible results!

"It started out as a normal outing. My wife and I had to run to the grocery store. We were driving down the road casually going over our shopping list when the car ahead of me started to slow down anticipating the yellow light. I started to move my foot from the gas to the brake as any normal person would do when they see brake lights in front of them but I couldn't. I couldn't feel my foot. The car kept moving forward and I just couldn't get my foot on the brake. And CRUNCH! I finally came to a stop when I hit the car in front of me."

This tragic story was shared with us by Dan S. a Burlington resident who has peripheral neuropathy. And while no one was hurt in this accident, Dan S. had suffered almost everyday of his life with tingling and burning in his feet until numbness set it and he could no longer feel even the brake pedal beneath his foot.

"The first stage is pain." shares Acupuncturist Min Jeon of AWC|Acupuncture & Wellness Clinic. "You feel burning, tingling, sharp pains, or you feel like you're walking on tacks or marbles. This pain eventually subsides and the numbness sets in. Unfortunately, the numbness brings with it a whole other host of problems."

This was the case with Dan. "I said I wasn't going to drive again. What if that had been a pedestrian?"

It is terribly common that peripheral neuropathy and its debilitating symptoms interfere with a person's ability to live their life. Dan was now reliant on his wife to drive him around, even the simple pleasure of cruising down Route 1 or taking her out to dinner was outside his capabilities. And even more common, Dan's general practitioner and several specialists told him there was nothing they could do other than prescribe him pills that would ease the pain of his neuropathy.

That's where Acupuncturist Min and her staff at AWC come in. "About 75% of our current patients come to us suffering from the same condition as Mr. Dan," tells Min Jeon Lic.Ac. "They're in constant pain from neuropathy and it prevents them from not only living their lives but more importantly, it prevents them from enjoying it. Depending on the severity of their nerve damage, we typically see tremendous progress in 3-4 months of treatment. I like to say we're in the business of making your golden years golden."

"I can't lie," confides Dan. "I was skeptical at first. The folks down at Mass General told me there was nothing that could be done and then there's a Acupuncturist right here in Burlington tells me she can help. Turns out she was right! About three months after treatment I was able to confidently drive myself to my appointments! My wife and I celebrated by buying ourselves a new car! It's hard to put into words how incredible this is, quite frankly Acupuncturist Min Jeon gave me my life back."

While AWC specializes in acupuncture and it's definitely part of their protocols in treating neuropathy, the real secret is in a more modern medical solution called ATP Resonance BioTherapy™. "This technology was originally developed by NASA to expedite healing and recovery" shares Maureen, a Senior Patient Care Technician at the clinic. "It's like watering a plant. ATP Resonance BioTherapy™ stimulates the blood vessels to grow back around the peripheral nerve and provide them the proper nutrients to heal and repair."

You can learn more about Acupuncturist Min and AWC by visiting AWClinic.com. If you're ready to schedule a consultation call (781)221-0162 and do so quickly. AWC is a very intimate clinic and the staff takes pride in their ability to take their time with each patient so they are very limited in their ability to take on new patients.

Visit www.AWClinic.com to learn more and to take advantage of their New Patient Offer!
