FAITH & FELLOWSHIP SMALL GROUPS - END OF SEASON CELEBRATION

Please join us on June 7th at 6:30PM at St. Agnes for our celebration to mark the end of another successful season. We will have mass followed by refreshments/snacks and fellowship on the second floor of the Parish Center.

Faith & Fellowship is our small group ministry comprised of sixteen groups through our parish. We invite all parishioners as we continue to celebrate Pentecost and the origin of small groups in the early Christian community. If you have an interest or would like to learn more, please see the Small Groups tab on the parish website or send an e-mail to Steve Goldner at sgoldner74@hotmail.com. See you there!

BEQUEST TO ST. ATHANASIUS CHURCH

Richard Alfred Coderre, passed away on February 6, 2023, at the age of 97. He and his wife Judy were regular worshippers at St. Athanasius from 1991 until 2002, when they moved out of the area. Both Richard and Judy have passed, but always held great memories of St. Athanasius. Richard, in his will, left a \$ 1,000.00 bequest to St. Athanasius Church. May he and Judy rest in eternal peace and be welcomed into God's Kingdom.

DID YOU KNOW? Will & Estate Planning - Your legacy --

have you ever thought about what that will be? Most of us want to make a difference in the lives of our loved ones now and when we are no longer here. We take steps to make sure they will be cared for. But what if you want to make a difference for your Parish? Many Catholics, recognizing that their gifts come ultimately from God and desiring to return them to God with increase, choose to leave a spiritual legacy to their families and the Church through their will or estate plan. Over the years, the Church has relied on wills and bequest gifts to help pass on the Good News of our faith. With rising costs, wills and bequest gifts become even more important for passing on the faith to future generations.

The Catholic Community Fund is the department at the Archdiocese of Boston that can answer all of your technical questions regarding wording for your particular situation (Archdiocese of Boston Pastoral Center, 66 Brooks Drive, Braintree, MA 02184; phone, 617-779-3743)

A brief gathering will immediately follow at the Parish Center. Congratulations cards for the newly ordained priests will be available to sign on behalf of the Christ the King Parish community.

SUMMER VACATIONS ARE COMING! ... LET MASS BE A PART OF IT

The school year is coming to a close, the weather is warming, and we are perhaps looking forward to the "Summer Vacation".

No matter where you are, a Mass is always nearby. Enjoying your vacation? Thanking God at Mass is a beautiful response!

Find a Mass anywhere:

<https://masstimes.org/>

From the Parochial Vicar

Dear Parishioners and Extended Family Members,

Praised be Jesus Christ! He has risen! Truly, He has risen!

Well, we have reached that time of the year. It is important for many of us to plan a Summer that basically involves travel and / or some time for rest and relaxation.

If you have the chance to travel and / or have relaxation, good for you!! God has blessed you with the opportunity and the means to take advantage of it. As you anxiously look ahead in both anticipation and detailed planning through your research, I ask you, just as I asked the First Communicants of the Parish, to remember that you are not just composed of a body, **but a soul as well**. Summer vacation tends to be so focused on what is best for our bodies, that the soul can be in danger of being neglected.

So how do we help our souls as we prepare to enter into the “summer mindset”?

First, I would like to propose that the very fact we have the opportunity to plan for a summer event and have the means to make it happen is truly a gift from God. We do well to remember that all we have that is good is a gift from God. Even if we are convinced in our minds that we “earned” our summer vacation, the opportunity to take it is still - nonetheless - a gift from God. Waking up and thanking God each day, especially during your vacation, is not only spiritual, but an acknowledgement of reality. Fitting a local Sunday Mass into your schedule is giving God back one of the 168 hours in a week given to you, to vacation no less!

Secondly, may I suggest some summer reading. Of course, I would recommend the Bible. My personal starting places and, therefore, recommendations are:

- ◆ Gospel of Mark (action-packed)
- ◆ Acts of the Apostles (action adventure)
- ◆ Book of Jonah (short with humor),
- ◆ Letter of James (relationships)

There are also books on the Lives of the Saints. I would suggest a collection of brief writings and, if you feel so inclined by a particular account of a saint’s life, then go purchase his / her biography / autobiography. There are also some excellent Catholic authors to choose from. Ronald Rolheiser, OMI is one of my favorites.

Lastly, please consider using the parish’s electronic giving. By doing so, you may either have your credit card charged or an automatic withdrawal from your bank account according to the frequency that you are comfortable with. When you do this, your donations are recorded and very easily printed out at your request. When you use this manner, this expense is one which is 100% predictable and one which you can earn rewards for!

Wishing you a Blessed Summer in the Risen Christ,

Fr. Z

ENROLLMENT FOR SUMMER & FALL FAITH PROGRAMS

With the Sacraments of First Communion and Confirmation now celebrated, and the school year soon to be ending, perhaps we can take a “moment” before gearing up for what’s around the corner! For our Faith Formation Program, that “moment” doesn’t last that long, as we are quickly pivoting to planning for the Summer Faith Program!

PARENT REMIINDERS:

- The Summer Program runs in July 2023 - submit your online enrollment **TODAY** for placement in a class. This program is for rising 6th, 7th, and 8th graders.
- The Fall Program opens in October 2023 - submit your online enrollment **TODAY** for the Fall Program. This program is for all grades, 1 through Confirmation Preparation.
- **PARENTS**, if some of your children will attend the Summer Program, and others will be attending the Fall Program: enroll **ALL** your children on the one online enrollment.
- REFER TO THE WEBSITE FOR ALL PROGRAM INFORMATION: ChristTheKingReading.org/faith-formation

WE HAVE A NEW WEBSITE ADDRESS!

As you may surmise, out of the merging of the two parishes into one new Christ the King Parish, various changes are being done to reflect this. Our website address is one such change.

NEW WEBSITE ADDRESS: <https://ChristTheKingReading.org>

(The address change is exactly along the lines of when the US Post Office rennumbers house numbers on a street: your old house number is updated to the new house number, while the house where you get your mail is exactly the same). You will continue to get to the site by using the old website address, however, we ask that you start using our new website address of **ChristTheKingReading.org**

NOTE: in the upcoming weeks, you will see other areas "updated" (eg, new email addresses) to reflect Christ the King Parish.

RMHS CLASS OF 2023 BACCALAUREATE SERVICE

**FOR ALL
GRADUATING
SENIORS, THEIR
FAMILIES AND
FRIENDS**

**DATE: Wednesday
May 31, 7:00 PM**

This year's Class of 2023 Baccalaureate Service will be hosted by Christ the King Parish, to which all graduating seniors and their families and friends are invited.

The Service will be celebrated at St. Athanasius Church, on Wednesday, May 31st, at 7:00 PM, with a Reception in the St. Athanasius Parish Activity Center following.

The graduation of High School Seniors and moving onward to a new chapter of life is indeed an exciting time: a time to acknowledge these students' hard work and hopes for their future. For this very special reason, graduating Seniors are celebrated with this Interfaith Baccalaureate Service sponsored by the Reading Clergy Association (association of the Town of Reading's different religions), and this year hosted by Christ the King Parish. It offers a quiet, intimate opportunity to pause and reflect on this rite of passage, hear a keynote speaker, a faculty member and student speakers.

Many prayers from our entire Parish Community for the new paths upon which these Seniors will soon be embarking.

The Fantasy Makers: Tolkien, Lewis, and MacDonald

J.R.R. Tolkien, C.S. Lewis, and George MacDonald were the pioneers of the fantasy genre and their impact is unmistakable. Their works—exploring Middle-earth, Narnia, and other tales of redemption, sacrifice, and the battle of good and evil—have become best-selling books and blockbuster movies. Contemporary fantasy writers such as J.K. Rowling grew up inspired by their works. All three were deeply committed Christians, and their spiritual convictions permeate their writing. They engaged and challenged from the pulpit of imagination, speaking truth through fantasy. (Video, length, 1:27) Watch here:

<https://watch.formed.org/videos/the-fantasy-makers-tolkien-lewis-and-macdonald>

After completing some amazing passes in a football game, the winning quarterback was asked how he managed to be so accurate and consistent. "I have to think like my receivers. It's as though we share the same brain and I am throwing the ball to myself. I know exactly where he is running and when he'll get to the point where I will throw the ball. That comes from lots of practice and spending time together." The key to their success came from acting as a team with one mind and one goal.

Jesus prays intensely for the unity of the Church. He knows the Father, has carried out His mission and shared it with the Apostles. Now, Jesus wants them to do the same. He has shown them the Father, given them a mission and wants them to share that message with others. Just as Jesus is one with the Father, He wants His Apostles to be one with Him and with each other. In union with Him, they will be in union with the Father and will be successful in completing the work entrusted to them.

Some people have an attitude that being spiritual is enough or that they do not need a church or community of faith. But Jesus prays for this. He knows that together we will accomplish great things. We will think and love and forgive with the mind and heart and spirit of Jesus. Remaining faithful to the Gospel and to our baptismal promises, we can become who we are called to be: the Body of Christ.

Sunday Table Discussion:

Ask your children at breakfast or dinner to repeat, as best they can, what the priest has preached in the Sunday homily and what the readings were about. This is one way to encourage children to pay attention to the word of God.

Depending on the age of the children this activity can be modified to fit each individual family.

Smaller children can be given a simple retelling of the Gospel and then be asked to comment or answer a couple of easy questions.

Older children can have the opportunity to present their own reflections on the Gospel and its application to their life.

This activity can be as short or long as desired but it will help to emphasize the importance of the Sunday readings.

"SHE SAVED MY LIFE"

Burlington, MA resident Dawn R. had been experiencing the painful side effects of Peripheral Neuropathy, "my feet and legs were extremely painful and my doctor told me there was nothing they could do. That I would have to take Gabapentin for the rest of my life." Then she met Burlington's very own Acupuncturist Min Jeon Lic.Ac. D.Ac.

Peripheral Neuropathy is the pain, discomfort, and numbness caused by nerve damage of the peripheral nervous system. Dawn explained that daily tasks like opening doors and using the bathroom were overwhelmingly painful. "How can you live for the next 30 years when you don't even want to get out of bed to do simple things?"

She was experiencing the burning, numbness, tingling, and sharp pains that those suffering with neuropathy often describe. "The way that I would describe it, it's equivalent to walking on glass." Dawn hadn't worn socks in five years and was wearing shoes two sizes too big so that nothing would 'touch' her feet.

Unfortunately Dawn's story is all too familiar for the over 3 million people in the U.S. suffering from Peripheral Neuropathy.

If you're unfortunate enough to be facing the same disheartening prognosis- you're not sleeping at night because of the burning in your feet. You have difficulty walking, shopping or doing any activity for more than 30 minutes because of the pain. You're struggling with balance and living in fear that you might fall. Your doctor told you to 'just live with the pain' and you're taking medications that aren't working or have uncomfortable side effects.

Fortunately, four months ago Dawn read an article about Acupuncturist Min Jeon Lic.Ac. and the work she was doing to treat those

suffering from Peripheral Neuropathy, without invasive surgeries or medications

Acupuncturist Min Jeon Lic.Ac. founder of AWC | Acupuncture & Wellness Clinic in Burlington, MA, is using the time-tested science of Acupuncture and technology originally developed by NASA that assists in increasing blood flow and expediting recovery and healing to treat this debilitating disease.

"Now when I go to bed at night I don't have those shooting pains. I don't have that burning sensation. I don't have pain coming up my legs," Dawn enthusiastically describes life after receiving Min Jeon's treatments. "I can wear socks and shoes!"

Dawn and her sister now operate a successful dog walking business, sometimes covering up to 5 miles a day.

"It's life-altering. As far as I'm concerned Acupuncturist Min saved my life!"

Acupuncturist Min Jeon Lic. Ac. D.Ac has been helping the senior community for over 20 years using the most cutting-edge and innovative integrative medicine. Specializing in chronic pain cases, specifically those that have been deemed 'hopeless' or 'untreatable', she consistently generates unparalleled results.

What was once a missing link in senior healthcare is now easily accessible to the residents of Greater Boston

If you've missed too many tee times because of pain or you've passed on dancing because you're afraid of falling, it's time to call Acupuncturist Min Jeon Lic. Ac. and the staff at AWC.

It's time you let your golden years BE GOLDEN!

AWC is now accepting new patients but only for a limited time. In an effort to protect her patients, both current and future, she has made the difficult decision to limit the number of patients seen in her clinic. Call (781) 221-0162 now to schedule a consultation.

"SHE SAVED MY LIFE"

Burlington, MA resident Dawn R. had been experiencing the painful side effects of Peripheral Neuropathy, "my feet and legs were extremely painful and my doctor told me there was nothing they could do. That I would have to take Gabapentin for the rest of my life." Then she met Burlington's very own Acupuncturist Min Jeon Lic.Ac. D.Ac.

Peripheral Neuropathy is the pain, discomfort, and numbness caused by nerve damage of the peripheral nervous system. Dawn explained that daily tasks like opening doors and using the bathroom were overwhelmingly painful. "How can you live for the next 30 years when you don't even want to get out of bed to do simple things?"

She was experiencing the burning, numbness, tingling, and sharp pains that those suffering with neuropathy often describe. "The way that I would describe it, it's equivalent to walking on glass." Dawn hadn't worn socks in five years and was wearing shoes two sizes too big so that nothing would 'touch' her feet.

Unfortunately Dawn's story is all too familiar for the over 3 million people in the U.S. suffering from Peripheral Neuropathy.

If you're unfortunate enough to be facing the same disheartening prognosis- you're not sleeping at night because of the burning in your feet. You have difficulty walking, shopping or doing any activity for more than 30 minutes because of the pain. You're struggling with balance and living in fear that you might fall. Your doctor told you to 'just live with the pain' and you're taking medications that aren't working or have uncomfortable side effects.

Fortunately, four months ago Dawn read an article about Acupuncturist Min Jeon Lic.Ac. and the work she was doing to treat those

suffering from Peripheral Neuropathy, without invasive surgeries or medications

Acupuncturist Min Jeon Lic.Ac. founder of AWC | Acupuncture & Wellness Clinic in Burlington, MA, is using the time-tested science of Acupuncture and technology originally developed by NASA that assists in increasing blood flow and expediting recovery and healing to treat this debilitating disease.

"Now when I go to bed at night I don't have those shooting pains. I don't have that burning sensation. I don't have pain coming up my legs," Dawn enthusiastically describes life after receiving Min Jeon's treatments. "I can wear socks and shoes!"

Dawn and her sister now operate a successful dog walking business, sometimes covering up to 5 miles a day.

"It's life-altering. As far as I'm concerned Acupuncturist Min saved my life!"

Acupuncturist Min Jeon Lic. Ac. D.Ac has been helping the senior community for over 20 years using the most cutting-edge and innovative integrative medicine. Specializing in chronic pain cases, specifically those that have been deemed 'hopeless' or 'untreatable', she consistently generates unparalleled results.

What was once a missing link in senior healthcare is now easily accessible to the residents of Greater Boston

If you've missed too many tee times because of pain or you've passed on dancing because you're afraid of falling, it's time to call Acupuncturist Min Jeon Lic. Ac. and the staff at AWC.

It's time you let your golden years BE GOLDEN!

AWC is now accepting new patients but only for a limited time. In an effort to protect her patients, both current and future, she has made the difficult decision to limit the number of patients seen in her clinic. Call (781)221-0162 now to schedule a consultation.
