

## ***Empowering God's Children® Safe Environment Program*** **Information Sheet & Optional Opt-Out Form**

Dear Parents and Guardians,

March 2025

To assist in the monumental mission of protecting children from abuse, the **Christ the King Parish** is partnering with you to present a safe environment lesson to your youth within the youth program. It is our cherished role as adults to fully protect children. In addition, we must also teach children about their safety rights and boundaries, so that they have tools to protect themselves. This year, your child will experience one of the following age-appropriate lessons:

Lesson 1: *Physical Boundaries: Safe and Unsafe Touching Rules*

Lesson 2: *Safe Adults, Safe Touches and Special Safe Adults*

Lesson 3: *Boundaries: You Have Rights!*

Lesson 4: *Secrets, Surprises and Promises*

Lesson 5: *Being a Safe Friend*

Lesson 6: *Boundaries: Feelings and Facts*

### ***Empowering God's Children Program Information:***

A program for children presented by Lesson Leaders, each lesson includes an age-appropriate video component along with engaging learning activities. The material is designed to better equip your child to know their safety rights, recognize their boundaries, and to empower them to protect themselves when safe adults are not immediately available—and ultimately be safer from people who might want to harm them.

As the primary educators of your children, parents and guardians are encouraged to review these materials ahead of time.
