Love Your Neighbor and Get Vaccinated:
Science, Ethics and the COVID-19 Vaccines

The webinar is designed to help arch/diocesan and parish staff to understand the moral, ethical, and medical aspects of the COVID-19 pandemic and to offer answers to common concerns and questions. Presenters will offer explanations of the official Catholic teaching on the COVID-19 vaccinations, as well as their medical efficacy. Tips on how to register for a vaccination will be provided and ideas will be offered on how parishes can assist in that process.

Friday, March 26, 2021, 10:00 – 11:00 AM
