

A SEAT AT *the table*

JOIN US FOR A DISCUSSION ABOUT THE AFRICAN AMERICAN PASTORAL CENTER

You are cordially invited to attend a presentation on the African American Pastoral Center and an opportunity to share your ideas and spiritual needs, and offer your support through listening as we build this Faith Formation and Evangelization center.

We will share ideas with the purpose of listening, connecting, and offering support to strengthen our African American community within the Diocese of Oakland. **It will be an opportunity to:**

- Access and discern how best to meet the needs of our African American communities within the Diocese of Oakland that leads to our participating in leadership, understanding our history, evangelization, and where we need to be from a spiritual, communal, and black theological perspective.
- Find ways to bring our families (particularly our young adults) back into the pews and into our ministries.
