

## CYO Coaches List for All Current Coaches in All Sports (Updated August 28, 2025)

**Important:** Some coaches work in split Parishes. For instance, a cross country coach may work with CCOP and St. Raymond, so that coach may appear cleared in one of those parishes. This occasionally happens in basketball too, when some parishioners need to go to another parish to field a team. However, all coaches on the list are cleared to coach. This list will be updated on September 10, 2025.
