REFLECTION FROM FR.JUAN PIENDA

This weekend ends the month of May. It is dedicated to Our Mother in heaven, and ends with the great solemnity of Pentecost, the day the gift of the Holy Spirit was poured out on the apostles and the Blessed Virgin, thus ending the Easter season.

During this month, although it should be every day, the Holy Church invites us to pray the holy rosary - rosary which means site or rose garden. 50 times, like hand-held roses that peel to the beat of the most beautiful music, we say: Ave Maria. She is a divine prayer, a prayer that our Heavenly Mother likes. Yes, she does like us to tell her: one after another - the angel's words: full of grace; the words of Elizabeth her cousin who could not remain silent. Blessed fruit of your womb and our words: Holy Mary, Mother of God, pray for us.

Between every 10 roses there is a new flower and it is the prayer that Jesus taught us so we

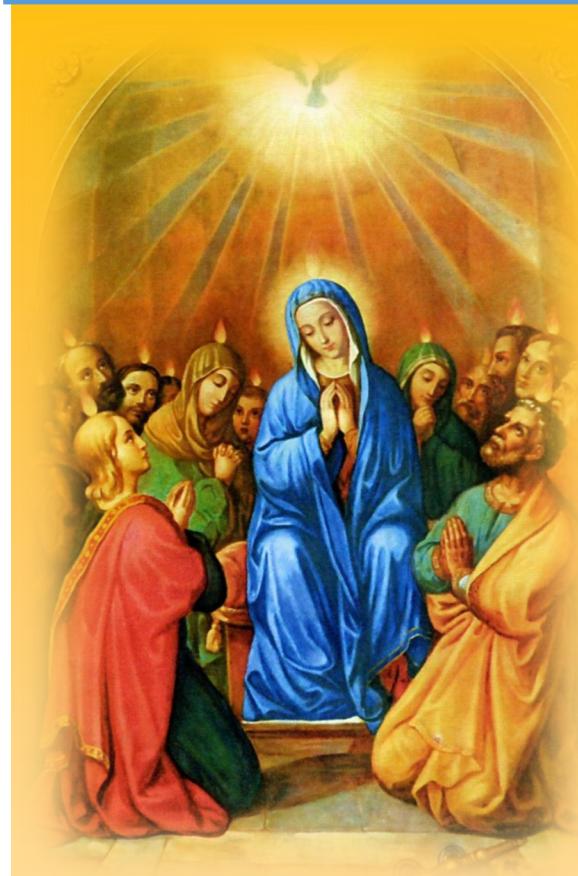

would know that we have a Father and a Mother in heaven. Our Lord Jesus shows us that we are not orphaned or empty. The holy rosary is the joy, the light, the pain and the glory of the Virgin Mary and of Jesus, who parade through the mysteries like as an album of family memories which shows us the events of the family of God, called Church.

It is difficult to understand that some do not like to pray, to speak with Mary our Mother through the Holy Rosary, which is also a chain that ties the devil; there are many who have not savored the taste of this beautiful prayer and consider it as a simple monotonous repetition. How good would it be if we continue to pray, meditate and enjoy just as she herself has asked and pleaded in various appearances, especially in Fatima to the 3 little shepherds. How many blessings brings this devotion? May the Rosary of Mary free us from all evil, let us praise the heavenly Queen night and day!

Blessings!

REFLEXION DEL P. JUAN PIENDA

Este fin de semana culmina el mes de mayo, dedicado a Nuestra Madre del cielo y termina con la gran solemnidad de Pentecostes, día en que se derramó el don del Espíritu Santo sobre los apóstoles y la Virgen Santísima, terminando así el tiempo pascual. Durante este mes, aunque debería ser todos los días, la Santa Iglesia nos invita a rezar el Santo rosario, rosario que significa sitio o jardín de rosas. 50 veces, como rosas cogidas de la mano que se desgranan al ritmo de la más bella música, decimos Ave María. Es una divina plegaria que le gusta a nuestra Madre del cielo. Si, a Ella le gusta que le digamos una tras otra vez, las palabras del ángel : llena de gracia; las palabras de Isabel su prima que no pudo callar: bendito el fruto de tu vientre y nuestras palabras: Santa María, Madre de Dios, ruega por nosotros..... Entre cada 10 rosas hay una nueva flor y es la oración que Jesús nos enseñó y así tenemos un Padre y una Madre en el cielo, quiso Nuestro Señor Jesús que NO nos sintiéramos huérfanos ni vacíos!!!! El santo rosario es el gozo, la luz , el dolor y la gloria de la virgen María y de Jesús, que se van desfilando en los misterios como un álbum de recuerdos familiares, que nos cuentan las mejores razones y sucesos de la familia de Dios llamada Iglesia. Resulta difícil comprender que algunos no les gusta rezar, hablar con María

nuestra Madre por medio del Santo Rosario, que es también cadena que amarra al demonio; hay muchos que no han saboreado el gusto de esta hermosa oración y la consideran como una simple repetición monótona. Que bueno sería que lo siguiéremos rezando, meditando y gustando tal y como Ella misma lo ha pedido y suplicado en

diversas apariciones especialmente en Fátima a los 3 pastorcitos,cuántas bendiciones y gracias

celestiales trae esta devoción!!! El Rosario de María nos libra de todo mal, alabémos noche y día a la Reina celestial. Los bendice ,

Padre Juan Pineda
