The St. Monica Academy Extended Day Program provides care, supervision, recreation, and enrichment activities for your child. It serves the working parent who desires both a Catholic school education and supplementary day care in a caring Christian environment. The program is open to Pre-K through eighth grade students enrolled at St. Monica Academy. The school reserves the right to exclude a child whose needs cannot be met.

The Extended Day Program complies with the non-discriminatory policies of the school and Archdiocese of Chicago.

The program provides children the opportunity to experience a rich diversity of growth activities planned to complement the philosophy and value systems of our school and of our school families. Computers, art and craft projects, games, enrichment activities are just some of the growth activities planned for the children. We provide a snack time, homework time and supervised activities.

Our program is staffed by an experienced director and aide. Aides are determined by the number of students enrolled.

We operate on school days when school is in session. A weather emergency or other emergency which causes school to be cancelled will also result in canceling the Extended Day Program.

When school is dismissed at 11:30a.m., extended care will be available for all students until 6 p.m. On early dismissal days, there won't be FSP school hot lunch provided, so please make sure to provide your child with a **peanut/ tree nut free** lunch and/or snack for the afternoon.

### **Hours:**

7:00 a.m. – 8:15 a.m.

3:00 p.m. – 6:00 p.m.

## FEES

A \$25.00 non-refundable registration fee is required each year for each child. Families may register at a rate of \$50.00. After August 12, 2023+ and provided that space is available, the registration fee will be \$50.00 for one child and \$100.00 for families.

Hourly rate:	\$6.00 (\$12 for non-registered students)
½ hour or less:	\$3.00 (\$6 for non-registered students)
After 6:00 p.m.:	\$1.00 per minute

Fees are the sole support of the St. Monica Academy Extended Day Program. The program is self sustaining and does not receive any grants from the school or parish.

## Scheduling and Billing

Parents will be asked to use Signup Genius to indicate the days their child will attend the extended care program. Time of entry and dismissal from the program will be recorded (This recorded entry and dismissal time will be used as the basis for billing). Changes may be made anytime on SignUp Genius before 7a.m. on each school day. Any cancellations after 7 a.m. must be called into the office. **If a parent meets a child without a cancellation at 3 p.m. without providing a call to the school or note to cancel, a charge of a full session is processed.**

A credit is given if a child is absent due to illness, family emergency, and/or if a parent cancels by note or phone call. The billing for extended care will be charged to your FACTS account. If you have any questions or concerns about the billing process, feel free to reach out to the school's administration.

Parents are not charged for the time their student(s) are under the supervision of a teacher/coach. Examples: private tutoring, band, scouts, athletics.

Regular and prompt payment of fees enables us to pay salaries and provide ample supplies and equipment. If a parent fails to pay fees as scheduled, the child will not be permitted to continue in the program. A late fee of \$25.00 will be assessed each billing period for late payments.

**PLEASE NOTE:** Staff members are employed only until 6:00 p.m. Children must be picked up by that time. An additional **\$1.00 per minute** per child will be charged for a parent who is late in picking up their child(ren).

## PARENT RESPONSIBILITIES

1. Students arriving **before** school should be brought to the Extended Care Area.
2. Children will be released only to their own parent or guardian. If additional persons are to have authorization, they must be noted on the Extended Day Emergency Card.
3. Any specific person(s) not allowed authorization should also be noted.
4. The Extended Day program does not allow telephone requests to send a child to a particular place after school or to arrange pick up by someone other than a parent. It's important to follow the school's designated procedures for such arrangements to ensure the safety and well-being of the students. If you need to make any specific arrangements, it's best to communicate directly with the school office in advance.
5. If there are any custody decrees or other legal documents related to a parent's contact with a child, they should be shared with the coordinator.
6. When a parent cancels extended care for the day, the parent must also notify the school office.
7. It is important that you pick up your child by 6:00 p.m. Staff members have other responsibilities and should be free to leave at that time. A staff member will stay with your child until you arrive, but a late fee will be assessed as specified above, *(There will be an additional \$1.00 assessed per child for every minute a parent is late in picking up a child/children after 6:00 p.m.)*
8. Parents should use the Mont Clare Ave. for drop-off and pick-up (The Rzany Hall entrance is located across from the school office).
9. **Please label all personal property of the student.**
10. Please allow time for your child to clean up and put toys away when picking them up.
11. **Tree nut/ peanut free** snacks from home are allowed. There will be no aftercare snacks provided.
12. Sign up is available daily until 7a.m., any cancellations the day of must be called into the school office after 7a.m. (773-631-7880).
13. **Do not bring your child to the extended day care before the opening time of 7:00 a.m.**
14. Always let us know if someone else is picking your child up.
15. If you take your child home from school for any reason and have scheduled extended care, please cancel with the school office at pick up

## CHILD RESPONSIBILITIES

1. As members of a Christian, caring community, the children will be expected to respect each other, the staff, the program materials and the environment provided.
2. A child must always ask/tell the coordinator or aide when he/she wishes to leave the room to use the washrooms and must return to the Day Care Area promptly.
3. No trading, borrowing, selling, exchanging of any personal property.
4. No one is here to clean up after the students. All students must clean up before being allowed to go to class or leave with their parent at the end of the day.
5. Each child is responsible for his or her own space – push chairs in after using, clean up toys, put homework away, clean up after eating snack, pick up crumbs, etc.
6. Students or parents are **not allowed** to go to their classroom for forgotten materials, books, homework, clothing, etc., after leaving their room to come to the Extended Day Program.
7. No running or rough play allowed. Voices are to be kept at a normal classroom level.
8. Quiet time during homework time is provided.
9. Children may never leave the building or grounds during the extended day time.
10. No inappropriate language or behavior will be tolerated.

## SPECIAL PRODEDURES

Abuse/Neglect	By law the State of Illinois requires school personnel to inform the Department of Children and Family Services of any allegation/suspicion of child abuse/neglect. All staff members are mandated reporters of allegation/suspicion of child abuse/neglect.
Illness/Accident	<p>The same procedures followed during the school day will be followed when your child is participating in the Extended Day Program. (Refer to St. Monica Academy Family Handbook.)</p> <p>Parents will be expected to make provisions for taking sick children home.</p>
Discipline problems	Every child must follow the rules of the school. If a child is unable to relate with other children, his/her continuance in the program will be discussed with the parent and the principal. A conference with both parent and principal will be called to discuss the decision that is reached.
Homework	Each afternoon a homework period is provided. The staff is available to provide minimal assistance. It is the child's responsibility to have his/her assignments written down in an assignment notebook. The staff has no way of knowing what work has been assigned to each child. It is not the responsibility of the

Extended Day Program personnel to make sure that homework is finished.

Absence

When you call the school office to report your child's absence, please ask that the Extended Day Program Director also be notified.

If you take your child home from school for any reason, leave a written message for the Program Director. This will also help avoid being charged for the full session when the child is absent.

Toys from home

Children may **not bring** toys from home, often these items are very personal and important, so the child feels it must be protected. **We are not responsible for lost or stolen toys, activities or games.** We encourage a sharing atmosphere. Many young children do not know or understand the value of some of their toys.

In special cases a toy may be brought if it is needed for a special project in class. In that case, the toys are to be kept in the child's backpack. It is too hard to keep track of precious little things that end up lost.

School Rules

School rules apply to day care. Failure to keep rules will require the child to be removed from our program. Also, see Discipline problems listed on page 5.

Snacks

**Extended Care will not provide a snack. Sharing of snacks is not permitted.** Students must pack and label snacks for extended care. Due to student allergies all snacks must be **peanut/tree nut free**, items that contain such will not be allowed to be eaten in the room. No morning snack is provided. Children should eat before they arrive at school.

## Archdiocesan Policy

Children in Extended Day Programs are required to show proof of adequate medical insurance. This can be done by providing verification of medical coverage.

## Registration Procedure

Registration for next school year will coincide with registration for school. Those families that have been in our program will receive first priority.

If you have not met the registration deadline, your place in the program could be in jeopardy. Open enrollment will take place in August during our Family Payment Day.

The registration fee anytime after **August 12, 2023** will be \$50.00 for one child and \$100.00 for family with the same hourly rates.
