Prayer is a first resource,
not a last resort.

Question: How do you explain "Real Presence" to children?

Answer: Children know Christ can do anything because he's God. He comes to us in holy Communion because he loves us so much that he wants to be with us. And he comes to us in the form of bread and wine. We really receive him in the Eucharist. Sometimes it is easier to explain this to children than to adults. Their faith and trust in Jesus is not limited by the questions and doubts that often come with the question of how he does it. Rather, they focus on the question "why," and the answer is something they can easily grasp: love. Christ wants to be with us because he loves us. Nothing is purer in truth or in faith. Not even the theological explanation of transubstantiation, or philosophical reasoning or symbolic references, come close. Christ takes on the form of bread and wine to be simple and approachable, so that no one is afraid or turned away. His love for us is complete and total. We try to love him the same way in return. For a child, it is simple. For us adults, we keep trying. "Unless you turn and become like children, you will not enter the kingdom of heaven" (Mt 18:3).

GOSPEL—THE MOST HOLY BODY AND BLOOD OF CHRIST

Years ago, a woman at daily Mass approached me in the communion procession. She had her arms crossed, indicating she wanted a blessing instead of the Sacred Host. She had tears in her eyes. I gave her a little blessing. She returned the next day. And the next. The same thing repeated. After a few weeks, I asked her why she didn't receive Holy Communion. She said she wasn't Catholic yet and was preparing to become so. I asked her why she wanted to be Catholic. She said, "Because I long to be in a real communion with Christ and with everyone I love." That, I submit, is a darn good reason. A few months later, she became Catholic and received the Body and Blood of Christ with unspeakably great joy and still does to this day.

Saint Paul says of the Eucharistic bread, "Is it not a participation in the body of Christ?" For Paul, the answer is obvious. Yes, it is exactly that. Which is why he can say, "we, though many, are one body." Jesus is truly, really, and substantially present in the Holy Eucharist. This is no magic trick, but a mystery of our salvation. He feeds us with the Sacrament of his body so that our communion with him — and with the other members of his body — is built up and becomes mature. That's why the Eucharist quenches our deep thirst for love and communion. The Body and Blood of Christ is the best reason to be Catholic. It's our participation of love in the one we love.

Respect Life Corner

The Education Resource Fund (ERF) recently announced an extraordinary new series of pregnancy-related science documentaries which illustrate the biology of pre-natal development using sophisticated medical imaging technologies and procedures which enable researchers to visualize embryos and fetuses, alive in the uterus, with never-before seen clarity.

ERF is a science foundation which produces films and other curricular materials that are now available in an app for mobile devices titled *See Baby Grow*. The app can be downloaded without charge from both the Apple App Store and the Google Play Store location (for Android). The materials in the app can also be accessed at www.ERF.science for streaming into classrooms and viewing on larger screens.

Women who are pregnant or who intend to become pregnant, may examine what is almost certainly the most interesting and informative pregnancy tracker on the web. Every major stage of pregnancy is displayed in actual video using rare endoscopic viewing technologies. Particularly remarkable developmental facts will also be offered for each of pregnancy's 266 days of gestation.

Those who download this app can immediately begin posting its "Sharable Content" elements across all social media platforms. The imagery is amazing when viewed on a phone, but even more so on a tablet. Watching it on a computer or television screen, however, reveals the greatest degree of this astonishing detail.

The **Missionary Cooperative Appeal** is an annual program designed to increase awareness of missionary work and raise funds to support ongoing evangelization efforts. This year, the Diocese of Sacramento selected 49 different missions to participate in the Appeal.

Next weekend, our parish will be visited by Fr. Cleetus. He will share with us about his organization's courageous evangelization efforts on behalf of the Catholic Church and give us an opportunity to support their work. **A second collection** will be taken up following their presentation. Special envelopes will be provided for your convenience. **Donations made by check should be made payable to the parish. All funds collected throughout the Diocese will be equally divided among the 49 missionary organizations visiting the Diocese of Sacramento this year. Thank you in advance for your generosity.**

Little Church

Little Church is a fun and free way to introduce your child to their faith while you attend Mass. It is open to all children ages 3 (must be potty trained) to 1st grade.

Older children (grades 2-5) who have not yet received their First Communion are also welcome.

We gather together in the Dome on Sundays during the 10AM Mass.

Simply drop your child and then pick up after Mass ends.

No advance registration is required. Please contact Shelley at shelley.olmc@gmail.com or 707-422-2814 with questions.
