More details to follow!

Church is not something you go to, it is a **FAMILY** you belong to.

Next week, we will take up the Collection for the Church in Latin America. For many in Latin America and the Caribbean, a rising secular culture, difficult rural terrain, and a shortage of ministers all present obstacles to practicing the faith.

Your support for the collection provides lay leadership training, catechesis, priestly and religious formation, and other programs to share our Catholic faith with those who long to hear the Good News of Christ. To learn more about how your gifts make a difference, visit www.usccb.org/latin-america.

Gospel - The Transfiguration of the Lord

What is Christianity finally about?

These days if you ask almost anyone who doesn't know the Bible you'll probably hear an answer like this: "Being a good person" or "following the golden rule." No offense to the golden rule, but our faith is simply much stranger than that. This week's feast of the Transfiguration of the

Lord is a luminous example of this. Jesus becomes radiantly and overwhelmingly beautiful. The glory of God literally shines forth from his body and even his clothes. Here we see that Christianity is not mainly a moral system, but a relationship with God in Christ, one that finally makes human beings gloriously beautiful.

Now we can see our good and bad deeds in a new and de-centered way. Our morality isn't about a heaven or hell scorecard. It's about lives open (or closed) to transfiguration, lives capable of revealing the glory of God in Christ to the world. Spouses, children, friends, co-workers, priests, consecrated women and men, and so on — we are all called to let the beauty of Jesus make our lives beautiful, little by little. His beauty in us is the center of our faith.

Respect Life Corner

Natural Family Planning (NFP) methods represent authentic family planning. They can be used to both achieve and to postpone a pregnancy. NFP makes use of periodic abstinence from sexual intercourse based upon the observation of the woman's natural signs of fertility, in order to space births or to limit the number of children when there is a serious reason to do so... this practice fosters in couples an attitude of respect and wonder in the face of human life, which is sacred. It also fosters profound respect for one's spouse, which is necessary for... authentic intimacy.
