This weekend, we take up the Collection for the Church in Latin America! Many people in Latin America and the Caribbean do not have access to church programs and ministries because of a rising secular culture, difficult rural terrain, and a shortage of

ministers. Your generosity makes it possible for our brothers and sisters in Latin America and the Caribbean to share in the life of the Church and grow closer to Christ. Please be generous to the special collection! To learn more, please visit www.usccb.org/latin-america.

Gospel - 19th Sunday of Ordinary Time

A man at my parish was struggling to overcome a habitual sin. He said to me, "Father, I know the chance that I will commit sin again is really high. Why should I keep confessing my sins? Isn't that dishonest?" Anyone who has felt the tyrannical power of sin — and who hasn't? — has pondered this kind of question.

I responded to him, "What was the probability Peter would walk on the stormy water?" After some silence, he said, "Zero. But when Jesus called, he did it." I could tell my penitent friend was re-framing the question from his own weakness to the greatness of the Lord's love for him. The question for us should not be one of human probabilities about our sin, but rather whether or not we will trust the Lord's grace in our lives.

This week the Lord is calling you and me to do the impossible: overcome sin with love. The only way to do that is to trust he is calling, and then to walk with the eyes of faith locked on him. And if we sink, he will raise us up again and again. Of that, we can be 100% sure.

Respect Life Corner

NFP is an umbrella term for certain methods used to achieve and avoid pregnancies. These methods are based on observation of the naturally occurring signs and symptoms of the fertile and infertile phases of a woman's menstrual cycle. Couples using NFP to avoid pregnancy abstain from intercourse and genital contact during the fertile phase of the woman's cycle. No drugs, devices, or surgical procedures are used to avoid pregnancy. NFP reflects the dignity of the human person within the context of marriage and family life, promotes openness to life, and recognizes the value of the child. By respecting the love-giving and life-giving natures of marriage, NFP can enrich the bond between husband and wife. (*Standards for Diocesan Natural Family Planning Ministry, U.S. Conference of Catholic Bishops, 2010, p. 23*)
