

Welcome to St. Elizabeth School

On behalf of the School Advisory Board (SAB) and the Home & School Association (HSA), we welcome you to St. Elizabeth School. We are excited for the school year and look forward to meeting and working with all of you. Here at St. E's, we take pride in our strong community and value the events that bring us together. Parent engagement is essential, whether chairing an event, volunteering for recess duty, coaching a CYO team or being a homeroom parent. Service at our school is a tenet of our community, and in collaboration with the administration, the SAB and HSA parent leadership boards strive to keep our school strong, vibrant, relevant and competitive. Together, we represent you, the parents and guardians of our community. As we begin this new school year, we invite you to get engaged in our school, and we thank you for volunteering. **We Are St. E's Strong!**

Who We Are and What We Do

School Advisory Board (SAB)

The role of the St. Elizabeth School Advisory Board (SAB) is to provide guidance and counsel to the Administration in the governance of the School. The functions of the Board are to assist the Pastor and Principal in strategic planning for the future of the school, preside over a school budget, oversee and support admissions and marketing initiatives, make recommendations on expenditures for improvements to the school campus and collaborate with the Home & School Association on all fundraising and business practices. We welcome your input and feedback on how to keep our school thriving.

Home & School Association (HSA)

The role of the Home & School Association is to build community and foster parent engagement by hosting school events, maintaining traditions, and supporting fundraising goals. The HSA works to promote open communication, goodwill and co-operation among parents, faculty, and administration. Please reach out to us with questions, ideas, and new ways to collaborate with you, our parents.
