

THE FUND FOR ALL SAINTS PARISH

All Saints Parish is a faithful community, rooted in prayer, service, and a shared commitment to living the Gospel. United in purpose and guided by grace, we embrace our call to stewardship, preparing not only for today, but for the future of our parish and those who will come after us.

That's why we have **established an endowment fund through the Catholic Foundation for Greater Pittsburgh**. This fund will serve as a lasting foundation for our parish's mission, ministries, and outreach.

Our parish stands today because of the sacrifices and generosity of those who came before us. Now, we have the opportunity to ensure that future generations can worship, learn, and serve in the same spirit of faith. An endowment is not meant to replace regular giving; it's a way to build long-term stability and resilience.

OUR VISION FOR THE FUND FOR ALL SAINTS PARISH

All Saints is more than our buildings: it's a spiritual home where faith is nurtured, families are supported, and neighbors are cared for. With God's grace, we envision a future where our parish remains a place of welcome, hope, and service.

Creating an endowment is a step toward that future. It's a way to safeguard the resources that help us offer Mass, teach our children, care for the sick, and reach out to those in need. Even small gifts can make a lasting difference.

ENDOWING OUR PARISH

A Legacy That Lasts

Your gift is invested, not spent. Only a portion of the earnings is used each year, so your generosity continues to bless our parish far into the future.

Strength for the Future

An endowment helps us weather financial challenges and ensures our ministries can continue, even when times are tough.

Fuel for Growth

With additional support beyond our annual budget, we can dream bigger; whether it's expanding outreach, improving facilities, or launching new programs.

YOUR ROLE IN OUR MISSION

Whether through a one-time gift or by including All Saints Parish in your estate plans, your support helps secure our future. Every contribution, no matter the size, is a testament to your faith and commitment to our parish family.

Join us in building a legacy of faith. Together, we can ensure that All Saints Parish remains a beacon of hope and love in Butler County for generations to come.
