## **THE RESURRECTION OF THE SON OF GOD**

How do we know that Jesus was actually raised from the dead in bodily form? This course with Prof. N.T. Wright, *The Resurrection of the Son of God*, examines the extraordinary claim that Jesus of Nazareth was raised from the dead in a bodily fashion to appear in person to people after his cruel death, crucifixion, and entombment. This journey will look at the ancient world's understanding of the afterlife from Jewish and Greek perspectives along with the implications of their understandings as it relates to the early Christian claim of the bodily resurrection of Jesus. New Testament documents will then be examined for broader understanding of resurrection generally as well as for specific information as it relates to the claim that Jesus was raised from the dead in bodily form. This course will meet for eight sessions, ending Tuesday, **August 6**.

## **PRAYING ON PENNACOOK STREET**

At 1:30 p.m. a woman left Planned Parenthood and looked at the large picture of an ultrasound at nine weeks on the sidewalk. She showed sidewalk counselors the ultrasound she just had at PP, and compared the image to their sign. Then she said, "I'm not having an abortion!" She has an infant and is struggling to provide for herself and her baby. Counselors told her about all the resources available one block away at the Pennacook Pregnancy Center. She decided to go to the Center and was very happy to get a stroller she desperately needed. She is now connected with resources available to assist her with caring for her baby and her needs during and after her pregnancy. For more information about the Center, or to make a donation, call (603) 206-5306 or email [staff@pennacookpregnancy.org](mailto:staff@pennacookpregnancy.org).
