## Parish Support

We appreciate your support of our parishes, especially during this difficult time when collections have diminished. **Thanks to those who have dropped off their envelopes and other donations.** If you wish to place your donation in just **one** envelope (as opposed to multiple weekly envelopes,) please feel free to do so. All three parishes can now participate in the **WESHARE on-line donation program** (see below) whether that be a **ONE-TIME DONATION**, or a **temporary** weekly or monthly donation, or even perhaps using **ON-LINE GIVING as your permanent means of support.** Contact Dan Cunha in our business office if you have questions. As you know, the weekly collection is our primary means of support. From this, we must pay utilities, insurance and most importantly, our faithful employees. As always, we thank you for anything you can do. Take care of yourselves as well. —Fr Steve

**A good Start.....** Last weekend, as we began the process of reopening our churches, I think many would agree that it was a very good start. While the number of those who came to Mass was relatively low (average of 50-60 per Mass) I believe it reflected the cautious attitude many are taking at this time. It is important that over the next weeks we continue this cautious approach as more and more people begin to feel comfortable in returning along with the increase in summer residents and visitors to the Cape. The limited amount of Masses and devotions, limited entrances and where to sit at Mass might seem to some too restrictive and unnecessary, but this is all to enable us to provide a safe environment. We literally have deployed an army of volunteers to sanitize the churches after each gathering. Without these faithful parishioners, we would not even be able to open at all. Thanks so much to them and our staff, many of whom are working 7 days a week at this point. One church this past week needed to be sanitized three times in one day because of a Mass, a funeral and confessions. And so, limiting the seating allows our volunteers to focus on specific areas of the church that have been used. No plan is perfect and we keep "tweaking" ours in order to find a good balance between safety and a return to more familiar routines in our churches. There is a reason behind everything we are doing right now, and I ask for your patience, trust and cooperation. The most important thing is that the sacraments are once again available to those who desire them. And that, my friends, is a real good start.... Have a good week. —Fr Steve

The 79th Annual Fall River Diocesan Catholic Appeal “See All the People” has begun! While delayed because of the pandemic, we cannot delay in our call to respond to those who are in need in our communities. As Bishop da Cunha wrote in his letter to all parishioners: “It is most critical to continue the work of the Catholic Appeal” which includes supporting food pantry programs, housing for the homeless, pathways out of addiction, and spiritual support for those in hospitals. One of the beneficiaries of this appeal is the Weekly Diocesan Catholic Mass which airs on ABC6 (Cable 22 in the Falmouth area) and where I have served as Director for over 30 years. In these past few months, the TV Mass on broadcast television has been an important apostolate to those who have been unable to attend Mass and did not have the benefit of lives-stream Masses because of their inability to access the internet.

Please consider, as your means allow, supporting the efforts throughout our diocesan community. Contribution cards were mailed to parishioners. Additional cards may be found at the doors of the church or you may contribute directly on-line by going to the website

## When This is Over

*Laura Kelly Fanucci*

When this is over,

may we never again take for granted a handshake with a stranger,  
full shelves at the store, conversations with neighbors, a crowded theatre,  
Friday night out, a routine checkup, the school rush each morning, coffee with a friend,  
the stadium roaring, each deep breath, a boring Tuesday, or life itself.

When this ends,

may we find that we have become more like the people we wanted to be,  
we were called to be, we hoped to be, and may we stay that way,  
better for each other because of the worst.
