## Parish Census

Our parish is sending out a third request to all who have previously registered in one of the former Falmouth parishes to fill in a new parish registration form. When the collaboration of our three former parishes was established, it was determined that the census of each parish was very much outdated and information such as email addresses and cell phones did not exist.

**If you have not filled out a registration form in the past 2 years, please take a few moments to fill one out, either the one mailed to you or you may also find them at the doors of the church. You may also fill out the registration form on our parish website.**

This updated census will help us to better communicate with parishioners as well as give us important information so that we might better serve you and your family now and in the future. Thank you for your cooperation.

## FAITH FORMATION REGISTRATION

Faith Formation registration is now available! Information including registration forms were mailed/emailed to families who participated last year. For new children, please visit our website [falmouthcatholic.org/faithformation](http://falmouthcatholic.org/faithformation).

Contact Jonathan Galo at  
508 548-3515 for more information!
