PLANNED GIVING - LEAVING A LEGACY

Thanks to your current ongoing generosity, St. Helena Parish remains a steadfast pillar supporting our Christian Community 50 years after it was established in 1965. Without the vision, service and financial donations of those who came before us, our Parish would not be here. Please consider designating our parish or school as a beneficiary in your will so that, in another 50 years, the parishioners of St. Helena will be celebrating the centennial of this amazing, faith-filled community.

A PRAYER TO
ST. HELENA, FOR INTERCESSION

Holy and blessed Saint Helena, with the anguish and devotion with which you sought the Cross of Christ, I plead that you give me God's grace to suffer in patience the labors of this life, so that through them and through your intercession and protection, I will be able to seek and carry the Cross, which God has placed upon me, so that I can serve Him in this life and enjoy His Glory ever after. Amen.

From the Pastor's Desk

Dear Parishioners,

Today's first reading has a particular impact. "Destruction and violence are before me; there is strife, and clamorous discord," the prophet Habakkuk cries. He didn't even have CNN & Fox. There are times that we feel overwhelmed by the negatives of our life. Terrorism, unrest among our people, the attacks of the pornography industry on our children, and the continual droning of network news organizations giving breaking alerts of as many horrible stories they can drum up, these and many other negative situations of our lives can lead us to join the prophet in questioning God's presence and control. To Habakkuk and us God says: "The rash one has no integrity; but the just one, because of his faith, shall live." When I became a priest, it was so I could help people become people of faith. I now realize that this goes both ways. You help me be a person of faith, or, at least try to live as a man of faith.

It is in this light that we should view the theme for this Sunday: Respect Life. We do everything we can to promote life, but ultimately we have to have faith that God's way will prevail.

Jesus Christ came to transform the world with love. He did not come to foster hatred. When we fight hatred, we are loving as the Lord loves. When we are determined to fight the battle for life the Lord's way, with love, we are truly respecting life. Respect life begins with respect. We have to remind ourselves that every person is made in the image and likeness of God. Every person has dignity. Every person has a right to be respected, even those people who do not respect us.

Sincerely yours in Christ,

Father Anthony

Dear Parishioners

I would like to take this opportunity to thank Sister Charles, Dan Bucko, Leonora McTague and our wonderful School Choir for the celebration of my 30th Anniversary of Ordination and my Birthday. I also want to give a special thank you to the Hospitality Committee and all those who cooked, served, and allowed my celebration to be a memorable one.

Most of all I want to thank each and every one of you who were so warm and welcoming to my Mom and family and to all of you who support all the endeavors of our parish and our school which, as you know, is the greatest gift the Bishop has given me, to be your Pastor.

Father Anthony

NEW JERSEY INDEPENDENT VICTIM COMPENSATION PROGRAM

Victims of sexual abuse by a priest of the Diocese are encouraged to participate in the IVCP. The IVCP is open to claims until Dec. 31, 2019. All individual claims must be submitted during this period.

The state-wide IVCP is independently administered by Kenneth R. Feinberg & Camille S. Biros, noted victims' compensation experts who have nationwide experience in administering varying compensation programs , i.e., Penn State sexual abuse claims, the 9/11 Victim Compensation Fund, and the Boston Marathon bombing compensation fund. The IVCP will handle the submission, evaluation and resolution of individual claims, and will operate independently of the Diocese or any church-affiliated institution. The administrators of the IVCP will have complete autonomy to determine the eligibility of a claim with the guidelines of the established Protocol. The amount of compensation for those who make a claim will be independently determined by the IVCP administrators. All victims – no matter when the abuse occurred – are eligible to participate, and all matters will be handled confidentially. Victims of clergy sexual abuse of a minor can begin the process of utilizing the program by going to www.njdiocesesivcp.com and reviewing the protocol for submitting a claim. The implementation of the IVCP is an important step in aiding victims in seeking justice and healing, and as we journey together as a Church toward a new day.
