FATHER STEPHEN'S COLUMN

My dear Brothers and Sisters in Christ,

It is always a joy to write to you in this column, a joy to express to you my great joy of this Easter season and the amazing kindnesses God has been bestowing upon us all. My dear children, have you realized yet that you are growing?

I was leaving a hospital visit on Divine Mercy Sunday and suddenly my heart was moved to reflection of this parish and my time with you here, over what has been nearly three years. I suddenly realized I knew how my own father felt watching us (his children) grow up before his eyes. In nearly three years, I have seen your children all grow taller and stronger and more intelligent (it is a striking experience watching children once babes carried in the arms having learned to run and walk). The experience in the school of the maturation of questions, from childlike simplicity to serious adult complexity gives me great insight into what their earthly parents have a material to contemplate and thank God for.

I have seen parishioners come and go. Some very fine individuals who were helped up the aisle and then out to the car by their family, I have seen them carried up the aisle in pall draped coffins and placed in the soft earth for their burial. How I loved to greet them, how I was blessed to give them their last farewell. I have seen their families embrace in sorrow and in trust the Sacrament which gives us great assurance.

A parish is a family. When one is successful, all the others are blessed. When one is hurt, everyone else is damaged. It is love that holds a person away from sin, fear of hurting their mother and father, from scandalizing the little children. Families are meant to be grown and protected, for they are precious and give glory to God Almighty. Healing, my brothers and sisters, is here within these walls for the sick and suffering. Strengthening for those who remain on the frontline of the fight (and that is all of us).

It is my great joy to tell you all that you are all the source of my joy. In the last several months, I have looked more and more at the pews and seen more and more clearly the people of God (whom He loves and upholds), and been made to know, that my spiritual children are all alive and fighting. Are all reaching out toward the Lord. I see your growth, I know your hope, I feel your faith. I know you are daily now realizing just who Jesus Christ really is, where He is, and who you are because of Him. Let His Holy Name ring frequently from your lips, and you will know my joy as well. You will come to better appreciate Easter, and this parish.

All glory to Jesus Christ, especially through His Blessed Mother.

Yours in Christ,

Fr. Stephen Felicichia

PIONEER SPOTLIGHT

Welcome to the spotlight, Mrs. Brown, beloved and longtime teacher at SEASCS. Thank you for all you do for our students and

school! Hello! My name is Tonya Brown and I have been a teacher here at Saint Elizabeth Ann Seton Catholic School for 22 years. I started out as a half-day kindergarten teacher, I then piloted the progressive-day kindergarten program, and eventually became a full-day kindergarten teacher. I LOVED every minute of being a kindergarten teacher from witnessing the joy of learning, the triumph of solving a problem, the “ah-ha” moments and circle time to coming together as a family and reading a book together. I particularly enjoyed introducing the kindergarteners to the Mercy Watson Chapter books. I loved teaching the faith to kindergarteners, reading from the bible, talking about what was happening, praying the rosary together, and practicing Lectio Divina prayer. It was during this time that I fell in love with the Catholic Faith and after going through the RCIA program at the Cathedral I became a Catholic. I will always remember taking the Eucharist for the first time with my school community. My favorite Saint is Mother Théodore Guérin, she brought Catholic education to Indiana and her statue is outside my old kindergarten classroom. After teaching kindergarten for 20 years, I made the transition to part-time as our ELL (English Language Learner) teacher. I enjoy working with students from all grade levels individually or in small group settings. I also have the privilege of working in many classrooms and seeing the amazing teachers we have here at Saint Elizabeth in action! I am continually inspired by their amazing work with our students. I have always wanted to be a teacher, well after deciding against being an astronaut. In fact, I was quoted in the Indiana University school newspaper at age nine, saying, “When I grow up, I want to be a teacher just like my Aunt Mary.” It took me a while, but at age 38, I became a teacher. Marriage and motherhood came first. I have been married to my husband Mark (whom I met when I was a kindergartener) for 40 years and I have two wonderful sons, Derek, and Ross. My husband recently retired, so I am getting used to having him around all the time! Together, we enjoy traveling, hiking, biking, pickleball, and eating out at all the outstanding locally owned restaurants we have in and around Fort Wayne. I also love to read, paint, fly kites, and drink coffee.
