THANK YOU FOR YOUR SUPPORT & GENEROSITY

The Annual Bishop's Appeal is essential for the good of our diocese and for our parish. If we successfully support this appeal, not only do we manifest that we truly are part of something bigger than just our parish community, but we also help to provide for this community in multiple ways. As you will see in the video, some of the funds go to supporting seminarians who will later become priests serving in our parishes, like Fr. Jake and previously Fr. Stephen and so many others before them. It also supports the work of Catholic Charities, Catholic schools (especially our high schools), youth ministry (who organized our recent pilgrimage to WYD), and various other diocesan initiatives that we benefit from as a parish. The video does a great job of explaining what the diocesan budget is directed towards, and this transparency should continue to give you great confidence in the ABA.

I believe you know that there is a parish finance council, a group of parishioners whom I rely on heavily for their wisdom and expertise to give advice on my stewarding of parish funds, and who also provide external oversight of all our parish accounting. Did you know that the bishop has a finance council as well, who provide the same service to him for this annual budget and all important decisions it involves? Some of our parishioners, in fact, are part of that team which helps to oversee financial workings throughout the diocese, including our parish's renovations, which required me to present the case before this council and the bishop himself some months ago. It should be comforting to know that many independent and good-hearted, faithful parishioners throughout the diocese have an important role in the work of our diocese and the financial decisions made for our local church under our shepherd.

Your support of the Annual Bishop's Appeal is essential for the continued good health of our diocese. In order for our diocese to continue to function well and to provide robust service and ministry to the Catholics (and to the poor) in our local church, the bishop needs your continued support. So I ask you to please discern well how you are called by God this year to support this appeal. Our parish's goal of \$274K is an important portion of the \$5.1 million that the diocese has budgeted. Remember, any amount beyond this goal is returned to the parish, so contributing to this appeal generously can also mean greater support for ministries here at Saint Elizabeth. Thank you for your willingness to be a part of God's work in our diocese under the leadership of our shepherd, Bishop Rhoades. May God bless the work of our hands!

Three cheers for our cheerleaders! Cheerleading at SEASCS is about lifting others up in spirit and faith! The girls begin and end each practice and game with a prayer, grateful to live their faith through their school activities. Not only do these girls celebrate the talents of other students at games, they also make spirit signs for lockers, make treat bags, and deliver notes of encouragement.
