BY HIS WOUNDS WE ARE HEALED

God bless our Confirmation candidates, over 100, who were Confirmed by bishop this past Sunday. Pray for them!

The paschal candle contains an image of the Sacred Heart of Jesus, which I would like to introduce to you. The approved apparitions to Saint Margaret Mary of Alacoque were instituted in the 1670's in France. There are specific prayers associated with her conversations with the Lord.

Pope Pius XII summarized this devotion well: "His Heart, more than all the other members of His body, is the natural sign and symbol of His boundless love for the human race. 'There is in the Sacred Heart,' as Our predecessor of immortal memory, Leo XIII, pointed out, 'the symbol and express image of the infinite love of Jesus Christ which moves us to love in return.'"

Jesus's profound love for us is demonstrated through His willingness to sacrifice His life for our sake. The love from His heart motivated all His actions – His inner life manifested in His demonstrated virtues and sacrifice. Yet this great love is often received with ingratitude, even by the faithful. The purpose of devotion to the Sacred Heart of Jesus is to focus our hearts on receiving and returning His love with gratitude – with all of our heart, soul, and strength – that He may be glorified.

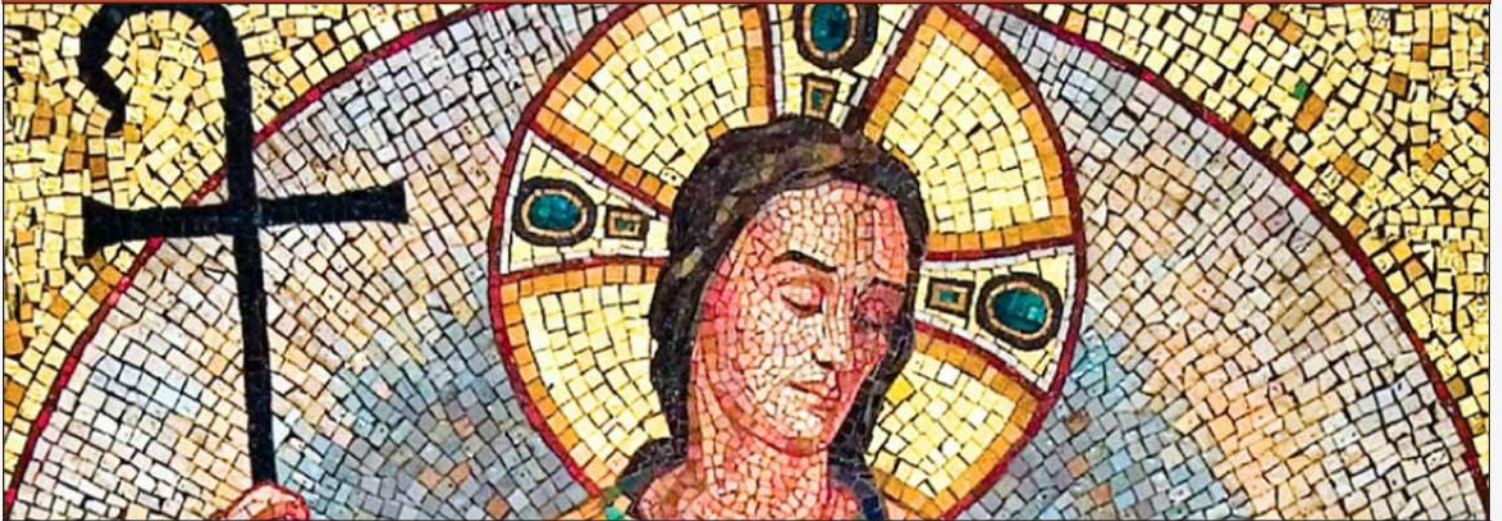

Above the image on our candle is the passage from the prophet Isaiah: "By His wounds we are healed." When we think of the wounds of Christ, we often consider the physical pains He endured: the scourging, the buffets and spitting, the crown of thorns, the nails. Should we ignore the most human of all suffering, found in our minds and souls: the rejection, the indifference, the hatred. Both the spiritual and the physical wounds of Jesus are testaments to His abundant love for fallen humanity. We are invited to love Him in return and thus experience the healing Our Lord longs to give us. There are many books on this devotion you can find from Catholic publishers. A first place to start would be praying the Litany of the Sacred Heart.
