ANointing OF THE SICK:

Please call the parish office to keep us informed of the sick and homebound or to schedule an anointing at 432-0268

NEW NEWS

The SEAS nursery is used mainly by parents with younger children who want to participate with full attention in meetings or other events at the church, such as Fidelis/Fraternus and small faith groups. This is a very good asset for allowing adults to easily participate in parish activities on the nights childcare is offered in the nursery. The same space is also used by the "MOMs" group, who have a couple of the mothers supervise the space on a rotating basis while meetings are run.

But we got some hard news. A couple weeks ago, the Diocese communicated a requirement for all Nursery/Daycare ministries to follow the State of Indiana guidelines which requires these ministries to be registered with the state as an "unlicensed daycare ministry." After elaborate discussions with the diocese and with another unlicensed daycare in the area, we came to the conclusion that it is not reasonable to continue with a nursery. Here's a summary of why that is the case.

To meet the State minimum requirements, there are multiple hurdles that make it appear overly burdensome for the benefits.

1. We would need to hire someone to oversee the ministry to do all the necessary documentation, etc. Based on the work involved, this would be close to a full-time position. That's a significant annual expense we've never had before, on top of the four workers (at least) who would need to be with the children when it is offered.
2. The space we have would only allow for 9 children on the smaller side and 11 on the larger side. This wouldn't meet the needs of our families that use the nursery on Tuesday evenings. We don't have other larger spaces that could work better for them.
3. There are also some maintenance/facility costs to meet the state requirements for unlicensed daycare. This includes up-front costs to meet requirements, and many extra hours of custodial work each week.

We asked a lot of questions to the diocese, looking for ways to keep things going and make it feasible, or find alternatives that could lessen the negative effects on those who use the nursery. Unfortunately, nothing surfaced because of the nature of the registration requirements. Based on conversations with the diocesan point-person, our parish is the only one in the area that offers childcare like this without cost to parishioners on a regular basis. This has been difficult news to process.

The diocese has allowed us time for transitioning to this new situation. We are planning on keeping things going through Christmas. So, in 2025, there will not be a nursery available anymore. It is heartbreaking to know it will negatively impact those families and groups that relied on the nursery. If not forced to make a choice, we probably would have kept things going as is, since those who used it were happy with how it was going. Let's pray that God will provide a way for alternative solutions that minimize the negative impact on parish programs.

When this decision solidified, we started to consider how to make something good of the situation. As many are aware, we are often looking for more space to meet the needs of the whole parish community. Breaking this nursery space up into 3 sections seems to benefit more of the parish than keeping it a nursery that we can't really use / sustain. The working idea would put walls up extending from both sides of the bathroom and putting a door into the hallway to create a storage space for the chairs that are always in the hallway near the nursery. Then the SVDP food pantry would be moved upstairs to the smaller side of the nursery (walling off the bathroom from that side). The larger side would be made into conference room space with access to the bathroom (and continue to be used as a bridal room for weddings).

That's the plan for now. We have time to develop these ideas over the weeks ahead, but they seem to be in a good spot, given the new situation that we are forced to adapt to.

Jesus answered them.
"Truly I tell you, today you
will be with ME in paradise"

Thanksgiving Virtual Carry-In Dinner

St Vincent de Paul Society and Knights of Columbus collaborate every year to provide Thanksgiving dinner (turkey and all the 'fixins') to over twenty-four families in need right here in the SEAS surrounding area. The St Elizabeth SVdP Food Pantry helps dozens more throughout November. Please help us help others by donating money to our virtual "carry-in" fundraiser.

Donate \$25 and you will virtually carry-in(sponsor) a turkey.

\$20 donation=potatoes, stuffing, and corn sponsor.

\$15=pumpkin pie,

\$10=cranberry sauce,

\$5=dinner rolls.

Or sponsor an entire virtual meal for \$75.

We will be collecting the virtual carry-in sponsorships/donations via QR code, check or cash (with SVdP Thanksgiving in memo or on envelope) dropped in the collection basket or parish office. This is a fun fundraiser where your monetary donations/sponsorships ensure we can provide food assistance this Thanksgiving. Again, this is a monetary donation that sponsors a "virtual" Thanksgiving dinner item—we are not collecting actual food items for this event. All proceeds from this fundraiser will be used to restock the St Elizabeth Food Pantry and offset expense of 24 delivered meals.
