December 12, 2025

Greetings,

On March 14, 2026, Saint Elizabeth Ann Seton Catholic School will host **Seton Night Live**. This is an evening social event including dinner, entertainment, and a silent and live auction. With nearly 300 guests in attendance, it is the most significant event benefiting the school each year. This year's theme, "Seussical," draws its inspiration from our spring musical and promises a fun and exciting night!

On behalf of Saint Elizabeth Ann Seton School, we invite you to consider supporting **Seton Night Live**. The 2026 event offers multiple opportunities for both businesses and individuals to support our school community. Your sponsorship will help ensure the success of **Seton Night Live**, which supports the academic, physical, and spiritual development of the children in our school community.

Our Seton Night Live goal is to raise over \$100,000. To achieve this goal, we rely on the generosity of our school and parish community to help us provide exciting items for our guests to bid on. We have been fortunate this year to receive a matching grant of \$85,000 from the Indiana Department of Homeland Security for school safety upgrades. The first \$85,000 raised at SNL 2026 will serve as the required match for this grant. We greatly appreciate your support of our school.

We are thrilled to announce that the following projects will benefit from the 2026 SNL proceeds, including all gifts made during the Fund-A-Need appeal:

- Our immediate priority for these funds is comprehensive school safety and security upgrades. These essential improvements are designed to create a more secure learning environment for every student, beginning with the installation of advanced keyless entry systems for all classroom doors. To maximize our impact, the first \$85,000 raised will be used to fulfill our required grant match commitment. This crucial step will unlock an additional \$85,000 in dedicated funding, resulting in a total of at least \$170,000 invested immediately in initiatives to keep our students and personnel safe.

Once this project is complete, surplus funds will be invested in other pre-approved school projects identified by the administration:

- We need additional microphones for our sound system in the gymnasium and cafeteria. These microphones are used during our Christmas program, spring musical, directing students daily during lunch, and other special events such as Seton Night Live.
- Other projects include carpet and ceiling tile replacement in the classrooms, bottle filler drinking fountains on the primary wing, LED lighting in the K-4 classrooms, replacement of heat pumps, and stage flooring replacement in the gym.

Your tax-deductible donation will help ensure the success of our fundraiser and support the academic, physical, and spiritual development of the children in our school community.

This year, there are several methods for promoting our sponsors to thousands of parish and school members. Enclosed, you will find the sponsorship opportunities and benefits for your business. Please return by February 5, 2026.

We thank you for your consideration and hope together that we can make this a reality!

Please do not hesitate to contact the Seton Night Live Committee with any questions you may have at SetonNightLive@seascsfw.org.

Blessings,
Miss Widner,
Principal

Fr. Terry Coonan
Pastor
