## LISTEN TO YOUR DREAMS

God visits Solomon in a dream, and the scripture story nowhere tells us that Solomon awoke to have this conversation with God! So, still in his dream, Solomon answers God's question about what he desires most, and God grants his request for wisdom in abundance.

In our waking hours, we are much distracted by work, home, family, traffic, entertainment, and many worries. When we try to think about what we really want out of life, we have trouble even imagining what that might be. But deep inside, our real longings dwell, known to God and to the Holy Spirit. Our dreams, unencumbered by defenses, may hold clues to what our deepest needs are, or what bothers us most. They could be God speaking.

## TODAY'S READINGS

**First Reading** — Solomon prays for an understanding heart.

**Psalm** — Lord, I love your commands.

**Second Reading** — All things work for good for those who love God.

**Gospel** — The one who knows of the kingdom of heaven brings new and old from the storeroom.
