

Catholic burial affirms many sacred beliefs, including:

- The sanctity of all human life
- The dignity of the person created by God
- The Resurrection of Jesus Christ and of his faithful followers
- Death is an occasion to comfort, grieve, and embrace human mortality while at the same time reaffirming our belief in eternal life
- The respect that is to be shown for the bodies of our beloved deceased
- The importance of remembering the dead and offering prayers for them

Making St. Bernard Cemetery a final resting place will afford you a sacred opportunity to realize the peace of mind that comes from having made provisions today for the fulfillment of a deeply personal obligation that will have to be met some day.

Prearrangement will ensure you the type of burial you wish while easing the financial and emotional burdens on your family and reduces the number of decisions at a time of bereavement.

Burial or entombment in the consecrated grounds and mausoleums of St. Bernard Cemetery allows you to share your faith values with future generations of your family. This legacy of faith is your gift to them.

 ST. BERNARD
OF CLAIRVAUX
CEMETERY & MAUSOLEUMS
Bridgewater, NJ

*Give Your Family Peace of Mind
With a Preplanned Catholic Funeral
& Burial*

One of the most desirable cemeteries in New Jersey, St. Bernard Cemetery has been serving the Catholic Community for over 100 years. Our cemetery was established to serve the needs of the parishioners of St. Bernard Church as well as Catholics in the surrounding parishes. We are honored to serve your burial needs with the dignity and respect your loved ones deserve.

Our mausoleums are enduring structures of eternal serenity and the beautifully maintained outdoor grounds will inspire devotion and prayer in all who visit. Our mausoleums provide protection from the elements as well as a climate controlled environment for visitors.

St. Bernard Cemetery provides a variety of options for burial. We provide burial plots in our beautifully maintained grounds, indoor and outdoor crypts for full body entombment as well as in-ground or niche entombment of cremated remains.
